The Concept, the Meaning and the Phenomenon New World Order Casian Anton, 2024-11-01 In this research paper I have explored and deepened the concept meaning and phenomenon of New World Order NWO through a structured approach inspired mainly by the logical order used by Ludwig Wittgenstein but also by the ideas of Thomas Hobbes My aim is to achieve five key objectives i to present an innovative method to build a concept starting from etymological bases ii to explore the meanings attached to each individual term new world order followed by their reunification in a single concept iii to examine the process of forming a concept based on three specific terms and to analyse how they combine to create a central idea iv to explore the NWO phenomenon by exposing its stages to discover key concepts theories and other theoretical main lines of research that contribute to its development and understanding v to review the existent literature and to extract key points and lines from existing theoretical debates and identifying real examples from world politics that reflect the concept and phenomenon of NWO By using Ludwig Wittgenstein s method I aimed to show not only the content and meaning of NWO as a concept but also the process and form of its construction The method used has the ability to offer an atomistic understanding of how complex ideas are built from their fundamental elements revealing how they intertwine to create a solid theoretical conceptual framework It is time to discover the concept meaning and phenomenon of New World Order in its truest form

Biblical Eschatology: Dr. Justin G. Prock,2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are

singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book Wrapped in the Flag Claire Conner,2014-03-18 A narrative history of the John Birch Society by a daughter of one of the infamous ultraconservative organization s founding fathers Named a best nonfiction book of 2013 by Kirkus Reviews and the Tampa Bay Times Long before the rise of the Tea Party movement and the prominence of today s religious Right the John Birch Society first established in 1958 championed many of the same radical causes touted by ultraconservatives today including campaigns against abortion rights gay rights gun control labor unions environmental protections immigrant rights social and welfare programs the United Nations and even water fluoridation Worshipping its anti Communist hero Joe McCarthy the Birch Society is perhaps most notorious for its red baiting and for accusing top politicians including President Dwight Eisenhower of being Communist sympathizers It also labeled John F Kennedy a traitor and actively worked to unseat him The Birch Society boasted a number of notable members including Fred Koch father of Charles and David Koch who are using their father s billions to bankroll fundamentalist and right wing movements today The daughter of one of the society s first members and a national spokesman about the society Claire Conner grew up surrounded by dedicated Birchers and was expected to abide by and espouse Birch ideals When her parents forced her to join the society

at age thirteen she became its youngest member of the society From an even younger age though Conner was pressed into service for the cause her father and mother gave their lives to the nurturing and growth of the JBS She was expected to bring home her textbooks for close examination her mother found traces of Communist influence even in the Catholic school curriculum to write letters against socialized medicine after school to attend her father s fiery speeches against the United Nations or babysit her siblings while her parents held meetings in the living room to recruit members to fight the war on Christmas or potentially poisonous water fluoridation Conner was on deck to lend a hand when JBS notables visited including founder Robert Welch notorious Holocaust denier Revilo Oliver and white supremacist Thomas Stockheimer Even when she was old enough to quit in disgust over the actions of those men Conner found herself sucked into campaigns against abortion rights and for ultraconservative presidential candidates like John Schmitz It took momentous changes in her own life for Conner to finally free herself of the legacy of the John Birch Society in which she was raised In *Wrapped in the Flag* Claire Conner offers an intimate account of the society based on JBS records and documents on her parents files and personal writing on historical archives and contemporary accounts and on firsthand knowledge giving us an inside look at one of the most radical right wing movements in US history and its lasting effects on our political discourse today Crapitalism Michael Faust,2016-03-30 Even more than an economic system capitalism is a psychological instrument for manipulating and exploiting gullible credulous suggestible human beings It s about working out what makes you tick in order to sell you more stuff Capitalism s task isn t to make you a perfect person but merely a perfect consumer Capitalism is purely about enriching those with capital It s about the Profit Principle Not only is it strictly amoral it turns out to be an ideal vehicle for empowering psychopaths Capitalism is a psychological experiment conducted economically Those conducting the experiment are the super rich elite committed to dynastic rule of the world via free market globalism John Maynard Keynes said Capitalism is the extraordinary belief that the nastiest of men for the nastiest of motives will somehow work for the benefit of all That s capitalism in a nutshell You need to be mad to believe that capitalism will have a good outcome for the human race
