The Innocent Virgin Mills Boon Modern:

The Innocent Virgin Carole Mortimer, 2006-05 **Innocent Virgin, Wild Surrender** Anne Mather, 2010 Seduction and sins Rachel Claiborne is a blonde beauty but tired of being judged on her appearance she s never let a man close For the moment she s focused on finding her mother who abandoned her family for the sultry paradise island of St Antoine But soon St Antoine works its dark magic on Rachel too in the shape of irresistible Matt Brody For the first time ever she wants to give herself to a man But Rachel can only look not let herself be touched because Matt clearly knows something about her missing mother The Greek's Innocent Virgin (Mills & Boon Modern) Lucy Monroe, 2014-01-27 Greek tycoon Sebastian Kouros thinks he knows all about Rachel Long as far as he s concerned she s a scheming money grabber who deserves nothing from him or his family **Bought: The Greek's Innocent Virgin (Mills & Boon Modern)** Sarah Morgan, 2010-12-01 A ruthless Greek billionaire At Angelos Zouvelekis s command caf waitress Chantal will play the part of his bride to be He will shower her with exquisite jewels and silks and she will repay him in kind He wants his recompense in the bedroom *The Consummate Virgin* Jodi McAlister, 2020-08-25 This book is a study of female virginity loss and its representations in popular Anglophone literatures It explores dominant cultural narratives around what makes a good female virginity loss experience by examining two key forms of popular literature autobiographical virginity loss stories and popular romance fiction In particular this book focuses on how female sexual desire and romantic love have become entangled in the contemporary cultural imagination leading to the emergence of a dominant paradigm which dictates that for women sexual desire and love are and should be intrinsically linked together something which has greatly affected cultural scripts for virginity loss This book examines the ways in which this paradigm has been negotiated upheld subverted and resisted in depictions of virginity loss in popular literatures unpacking the romanticisation of the idea of the right one and the right time *Virgin Envy* Jonathan A. Allan, Cristina Santos, Adriana Spahr, 2016-11-15 Virginity is of concern here that is its utter messiness At once valuable and detrimental normative and deviant undesirable and enviable Virginity and its loss hold tremendous cultural significance For many female virginity is still a universally accepted condition something that is somehow bound to the hymen whereas male virginity is almost as elusive as the G spot we know it s there it s just we have a harder time finding it Of course boys are virgins queers are virgins some people reclaim their virginities and others reject virginity from the get go So what if we agree to forget the hymen all together Might we start to see the instability of terms like untouched pure or innocent Might we question the act of sex the very notion of relational sexuality After all for many people it is the sexual acts they don t do or don t want to do that carry the most abundant emotional clout *Virgin Envy* is a collection of essays that look past the vestal virgins and beyond Joan of Arc From medieval to present day literature the output of HBO Bollywood and the films of Abdellah Ta a or Derek Jarman to the virginity testing of politically active women in Tahrir Square the writers here explore the concept of virginity in today s world to show that ultimately virginity is a site around which our most basic beliefs

about sexuality are confronted and from which we can come to understand some of our most basic anxieties, paranoias, fears and desires

Representing Difference in the Medieval and Modern Orientalist Romance Amy Burge, 2017-02-14

This book, the first full length cross period comparison of medieval and modern literature, offers cutting edge research into the textual and cultural legacy of the Middle Ages, a significant and growing area of scholarship. At the juncture of literary, cultural and gender studies, and capitalizing on a renewed interest in popular western representations of the Islamic east, this book proffers innovative case studies on representations of cross religious and cross cultural romantic relationships in a selection of late medieval and twenty first century Orientalist popular romances. Comparing the tropes, characterization and settings of these literary phenomena and focusing on gender, religion and ethnicity, the study exposes the historical roots of current romance representations of the east, advancing research in Orientalism, neo medievalism and medieval cultural studies. Fundamentally, *Representing Difference* invites a closer look at medieval and modern popular attitudes towards the east as represented in romance and the kinds of solutions proposed for its apparent problems.
