even stopped Yeshua Buddha Jay G. Williams,1988-09-26 Jay Williams approach to the study of the life of Christ simply overflows with intuitional creativity permitting students to find for themselves trans historical yet new and existential situations in the Biblical story Buddha means the Enlightened One and the author uses this word in the generic sense He explores the possibility that Yeshua represents a way to enlightenment which is neither Western nor Eastern but universal and perennial a way often misunderstood by Christian theologians **The Flaming Sword** David R. Brown,2018-12-13 Since the beginning of the Neolithic revolution a pervasive phantom has haunted humanity It neither rustles nor rattles nor moans upon the moors Rather its apparition is accompanied by the continuous unbroken rasp of the human race who unified in dread have emitted one solemn plea to a world rent asunder by evil and the abandonment of reason That sound is the question why All people have asked this when evil overtakes them Formal attempts have been carefully deliberated for twelve thousand years to resolve this gripping human dilemma why is there wrong and suffering And more tormentingly why if there is a God does evil exist How can it exist Many have the answer only to be turned away Now it can be answered Everyone has heard the story of Adam and Eve their fall from God and the angel posted at Paradise to turn them away The story of fallen broken man is well known and his journey through a world wracked with madness and pain is well documented But what if the real story was skipped over by the narrative What if the angel at the gates of Paradise was only a figurehead of something much larger The Flaming Sword is a guard to a gate but the guard is more than a mere angel and what it guards is more than the perfect place It guards perfection itself Like the angel at Eden it is programmed to attack whatever nears it charge including mankind Be warned and take heed for the answer may be far more haunting than the question ever dreamed *Yahweh's Breath Bible, Volume 2* Jerry Ayers,2010-05 Yahweh s Breath is a unique Bible In original Hebrew language it would be Yahweh s Nshamah meaning Yahweh s puff or breath of divine inspiration It was written in the Literal form of the original languages of Hebrew and Greek and then matched with the New Strong s Exhaustive Concordance of the Bible a thorough verbal index to the Holy Scriptures It s one of a kind format puts the Sacred Name of our Father Creator back into the text where it had been removed nearly 6 000 times by the scribes and translators throughout history An outstanding feature also makes those hard to pronounce Biblical names easy as they were written in the original language of the script with the pronunciation following the name Also the meanings of some of the names follows the pronunciation Using the wording from the Strong s Exhaustive Concordance of the Bible gives His Word a detailed come to life picture in your mind At times you can see the glistening green grass or smell the fragrant smoke of spices If you listen carefully you can hear the vibrating trumpet ram s horns or taste the sticky gummy syrup of honey You might even be able to feel with your finger the scar from the spikes in the hands and feet of the Messiah Another feature of this version of His Word the Bible is that any added text by our Romanized translations that was not in the original text languages has been put back into its original form Above all this version makes reading and understanding His love letter to us about His Son easy and enjoyable

Theophilus Michael D. O'Brien, 2010-03-12 St Luke addressed his Gospel and the Acts of the Apostles to a man named Theophilus Who was Theophilus Scripture scholars do not know making him a fit subject for Michael O'Brien's vivid imagination In this fictional narrative Theophilus is the skeptical but beloved adoptive father of St Luke Challenged by the startling account of the Christos received in the chronicle from his beloved son Luke and concerned for the newly zealous young man's fate Theophilus a Greek physician and an agnostic embarks on a search for Luke to bring him home He is gravely concerned about the deadly illusions Luke has succumbed to regarding the incredible stories surrounding Jesus of Nazareth a man of contradictions who has caused so much controversy throughout the Roman Empire Thus begins a long journey that will take Theophilus deep into the war between nations and empires truth and myth good and evil and into unexpected dimensions of his very self His quest takes the reader into four ancient civilizations the Greek Roman Jewish and that of Christianity at its birth where he meets those who knew this man that some believe is the Messiah Though Theophilus is a man of the past ages he is as familiar to us as the men of our own times Schooled in the empiricism of both medicine and philosophy Theophilus is well suited to speak to our age in which seeing cannot be the basis for faith but rather hearing the witness of those who have been touched by God and opening ourselves to the possibility of an encounter with the living Christ This is a story about the mysterious interaction of faith and reason the psychology of perception and the power of love over death
