Yahweh Called Them By Name:

The Prophetic Vision and the Real Jesus Adrian M. Leske, 2017-10-06 Using the method of intertextuality Adrian Leske has traced the growth of the prophetic vision from Amos to the Exile demonstrating how after the Exile the dominant influence on that vision down to the time of Jesus is the positive and new message of Deutero Isaiah With opposition from the Zadokite priesthood and exploitation from foreign rulers the prophetic and Levite communities find refuge in Upper Galilee and surrounding areas Using the Gospel of Matthew the most Jewish of the Gospels Leske demonstrates how that vision impacted the teaching of Jesus to these communities and how he perceived his mission as the Servant Son of man Understanding this prophetic vision and the Jewish nature of Matthew's Gospel brings new insights to Matthean Christology as well as the authorship and date of that Gospel in relation to the other Gospels The Reform Advocate ,1910

John Mackinnon Robertson, G. Astor Singer, 1895 **Construction of Gender and Identity in Genesis** Karalina

Matskevich, 2019-01-24 Karalina Matskevich examines the structures that map out the construction of gendered and national identities in Genesis 2:3 and 12:36 Matskevich shows how the dominant Subject the androcentric ha adam and the ethnocentric Israel is perceived in relation to and over against the Other represented respectively as female and foreign Using the tools of narratology semiotics and psychoanalysis Matskevich highlights the contradiction inherent in the project of dominance through which the Subject seeks to suppress the transforming power of difference it relies on for its signification Thus in Genesis 2:3 ha adam can only emerge as a complex Subject in possession of knowledge with the help of woman the transforming Other to whom the narrator and Yahweh attributes both the agency and the blame Similarly the narratives of Genesis 12:36 show a conflicted attitude to places of alterity Egypt the fertile and seductive space that threatens annihilation and Haran the mother's land a complex metaphor for the feminine The construction of identity in these narratives largely relies on the symbolic fecundity of the Other Isaiah (Baker Commentary on the Old Testament: Prophetic Books) J.

Gordon McConville, 2023-04-25 The book of Isaiah has been regarded from the earliest Christian period as a key part of the Old Testament's witness to Jesus Christ This commentary by highly regarded Old Testament scholar J Gordon McConville draws on the best of biblical scholarship as well as the Christian tradition to offer a substantive and useful commentary on Isaiah McConville treats Isaiah as an ancient Israelite document that speaks to twenty first century Christians He examines the text section by section offering a fresh translation textual notes paragraph level commentary and theological reflection and shows how the prophetic words are framed to persuade audiences Grounded in rigorous scholarship but useful for those who preach and teach this volume is the second in a new series on the Prophets Series volumes are both critically engaged and sensitive to the theological contributions of the text Series editors are Mark J Boda McMaster Divinity College and J Gordon McConville University of Gloucestershire **Holy Bible illustrated by Gustave Doré** The World English
