Nat Turner, Black Prophet Anthony E. Kaye, 2024-08-13 Stellar Spectacular A heartfelt painstaking account Nell Irvin Painter The Washington Post An extraordinary collaboration A profound achievement Downs is a superb even lyrical writer David W Blight Los Angeles Times A Times Literary Supplement Book of the Year One of Literary Hub's 50 Best Nonfiction Books of the Year A bold reinterpretation of the causes and legacy of Nat Turner's rebellion and the new definitive account In August 1831 a group of enslaved people in Southampton County Virginia rose up to fight for their freedom They attacked the plantations on which their enslavers lived and attempted to march on the county seat of Jerusalem from which they planned to launch an uprising across the South After the rebellion was suppressed well over a hundred people Black and white lay dead or were hanged As news of the revolt spread it became apparent that it was the idea of a single man Nat Turner An enslaved preacher he was as enigmatic as he was brilliant He was also something more a prophet one who claimed to have received visions from the Spirit urging him to act Nat Turner Black Prophet is the fullest recounting to date of Turner's uprising and the first that refuses to tame or overlook his divine visions Instead it takes those visions seriously tracing their emergence from the world of nineteenth century Methodism with its revivals camp meetings interracial churches and Black preachers The rebellion and its aftermath would hasten the end of this world as Southern states further restricted the personal freedoms of the enslaved even as the ongoing threat of revolt shaped the

country's politics With this work of narrative history the late historian Anthony E. Kaye and his collaborator Gregory P. Downs have given us a new understanding of one of the nineteenth century's most decisive events **The Sacred Name Broadcaster**, 2002 **The Emancipation of the Soul** Philipp Kneis, 2010 This book analyzes the mythological content of five television franchises within the genre of science fiction fantasy and horror The X-Files Millennium Babylon 5 Crusade Buffy the Vampire Slayer Angel Stargate and Star Trek The central themes are errand into the wilderness emancipation from larger powers individual responsibility prophecy apocalyptic scenarios fundamentalism artificial intelligence as well as hybridity gender roles psychotic narration and others The theoretical basis for this work are both a conventional cultural studies perspective as well as memetics an evolutionary perspective of culture and literature that is utilized in this volume as an approach to studying genre at the example of the five case studies **A Commentary on the Bible** Arthur Samuel Peake, A. J. (Harold Henry) Grieve, 1926 **The Crucifixion of the Warrior God** Gregory A. Boyd, 2017-04-17 The Crucifixion of the Warrior God in an epic constructive investigation takes up the set of dramatic tensions between depictions of divinely sanctioned violence in Scripture and the message and life of peace of Jesus centering the New Testament Over two volumes author Gregory A. Boyd argues that we must take seriously the full range of Scripture as inspired and the centrality of the crucified and risen Christ as the supreme revelation of God **Old Testament Survey** William Sanford LaSor, David Allan Hubbard, Frederic William Bush, 1996-09-03 McKenna and William B. Nelson Jr **The Promise-Plan of God** Walter C. Kaiser, Jr., 2009-10-06 What is the central theme of the Bible Given the diversity of authorship genre and context of the Bible's various books is it even possible to answer such a question Or in trying to do so is an external grid being unnaturally superimposed on the biblical text These are difficult questions that the discipline of biblical theology has struggled to answer In this thoroughly revised and expanded edition of his classic *Toward an Old Testament Theology* Walter Kaiser offers a solution to these unresolved issues He proposes that there is indeed a unifying center to the theology and message of the Bible that is indicated and affirmed by Scripture itself That center is the promise of God It is one all encompassing promise of life through the Messiah that winds itself throughout salvation history in both the Old and New Testaments giving cohesiveness and unity to the various parts of Scripture After laying out his proposal Kaiser works chronologically through the books of both testaments demonstrating how the promise is seen throughout how the various sub themes of each book relate to the promise and how God's plan to fulfill the promise progressively unfolds Here is a rich and illuminating biblical theology that will stir the emotion and the intellect **In the Bosom of Abraham** George R. Eves, 2015-10-07 Read the Old Testament for the first time Again Experience it as an actual story for the first time This unique book takes the reader inside the biblical narrative for a fresh encounter with God's Word Often we read the Old Testament looking for how each event anticipates the Christ which is a bit like reading a detective novel knowing who done it all along Here each succeeding episode is allowed to speak on its own terms only building upon what has already happened

just like any other story Along the way it will be demonstrated how each part of the biblical narrative embodies the three covenantal promises that God made to Abraham Land Many Descendants and a Blessing to All Nations In so doing the inherent narrative framework of the old old story is more fully exposed and the reader is rewarded with a new sense of its profound unity and divine inspiration The Rapture 2028: America's Countdown to Apocalypse! David Netherton,2015-01-02 A Shocking Bible Discovery found in the Dead Sea Scrolls After forty years of research in the Biblical text this book came about while studying Biblical manuscripts in their original Greek I was given a project by my Greek professor to research the Dead Sea Scrolls This research changed my life my belief about time and the books of the Bible While researching the Dead Sea Scrolls I found two historical books that were in the Bible during Jesus time on this Earth So I ask this question Why did man remove these books The deeper I studied I discovered that our Bible should have seventy books instead of sixty six Six is the number of man and a number representing incompleteness Sixty six doubles its meaning and the number 666 needs no explanations Men do resist God's will today 2 Peter 3:9 While researching the subject I encountered extreme opposition The books of the Bible should be divisible by seven So we are missing one New Testament book and three Old Testament books to make a seventy book Bible Have we been deceived by our religious leaders and science community Does all time truly consist in a 7 007 year window This book is written from the complete seventy book Bible which was revealed in the Dead Sea Scrolls Do the scrolls reveal angels mating with the daughters of Adam Where did the giant human originate Have we all been lied to about Genesis 6 and the events during the days of Noah Are angels and demons masquerading as aliens and UFOs in a great end of time deception Will the dollar collapse by 2022 Will the U S be destroyed in one day by 2028 However when He the Spirit of truth has come He will guide you into all truth for He will not speak on His own authority but whatever He hears He will speak and He will tell you things to come John 16:13-14
