Bounds, Caleb T. Friedeman, 2023-10-17 The command to be holy is one of Christian life's most challenging and misunderstood commands Three scholars from the Wesleyan tradition constructively argue for a neo holiness that encourages the pursuit of Christian perfection while incorporating historic understandings of grace and the work of the Holy Spirit **Abraham** David Rosenberg, 2006-03-20 Provides a history of Abraham revealing that the original story embedded in the Bible is actually the oldest historical biography and takes readers on Abraham's journey through the Middle East **Seeing the Face of God** Puttagunta Satyavani, 2014-09-14 The expression the face of God is a familiar one to Bible scholars and its meaning has long been a point of disagreement especially in its use with the verb to see While some scholars dismissed the expression as merely a metaphor with little significance others have compared it to the face of gods and goddesses of the ANE religious context where worshippers sought an audience with their divine king Scrutinising previous scholarship and based on careful exegesis of several crucial passages in the Pentateuch this publication presents the motif seeing the face of God in an entirely new context of divine self revelation *Promises of God* Edwin C. Kingsbury, 2009-09 Long ago when Israel had become aware of her unique history she began to collect and recount the saving acts of her God She concluded that God had chosen her and brought her from the lowest level of society through slavery into the Promised Land In the glorious days of Solomon she had the leisure to contemplate and to write down what her God had done for her She testified that her God was the God of promises who was faithful to his covenants The Promises of God beautifully and systematically records the responses from the leaders of this community of faith that were given to God's people Though their answers were far from unanimous they gave a guide to the generations of faithful people who have sought to live in covenant with their God in difficult times Due to the perilous times in which we live The Promises of God offers comfort as we consider the faithfulness of our great and holy God Tough Questions About God and His Actions in the Old Testament Walter Kaiser, 2015 Practical scriptural discussions of tough topics such as polygamy genocide and the

role of women in the Old Testament The God of the Old Testament can seem very foreign to Christians His actions appear to starkly contrast with the God of grace in the New Testament and with modern notions of justice and propriety In this short volume Old Testament scholar Walter Kaiser devotes each chapter to a different difficult subject including creation the wrath of God the genocide of the Canaanites God's knowledge of the future polygamy Satan the view of women and application of the Old Testament law He addresses each topic in a practical accessible tone with pastoral insight and humor consistently focusing on the Scriptures The reader will find that there are not two different gods in the Bible and that the Old Testament is not an antique artifact that should now be jettisoned from Christianity The Old Testament and the God it depicts is One with the God and Father of our Lord Jesus Christ His actions when properly understood are not at variance with the New Testament rather a view of the beautiful unity in the Bible as a whole will strengthen the church's faith and aid in Christian witness and apologetics

The Early History of God Mark S. Smith, 2002-08-03 There is still much disagreement over the origins and development of Israelite religion Mark Smith sets himself the task of reconstructing the cult of Yahweh the most important deity in Israel's early religion and tracing the transformation of that deity into the sole god the development of monotheism

Wright, 2025-10-21 Tackle Key Questions from the Past Two Decades in this Fully Updated Edition Engage with the latest scholarship on the biblical theology of mission and missional hermeneutics with Christopher J H Wright's classic text now fully revised and updated Most Christians would agree that the Bible provides a basis for mission But Christopher Wright boldly maintains that there is a missional basis for the Bible itself The entire Bible is generated by and is all about God's mission In order to understand the Scriptures we need a missional hermeneutic an interpretive perspective in sync with the beating heart of its great mission Wright gives us a new hermeneutical perspective on Scripture through an understanding of Who God is What he has called his people to be and do How the nations fit into God's mission In this revised edition of The Mission of God Wright extends his classic discussion to consider the ways that the conversation on missional hermeneutics has developed since its original publication With fully updated citations and additional chapters focused on gospel centered holistic mission and on the issue of election and supersessionism this new edition addresses the questions criticisms and insights that have emerged during the intervening two decades God's mission is to reclaim the world and God's people have a designated role to play Whether you're a pastor scholar or student The Mission of God will benefit your understanding of how the Bible shapes the story and purpose of God's people
