It can also be an exhausting self limiting trap. It all depends on making smart decisions. When every advantage counts *A Student's Guide to Law School* is like having a personal mentor available at every turn. As a recent graduate and an appellate lawyer Andrew Ayers knows how high the stakes are he's been there and not only did he survive the experience he graduated first in his class. The second part discusses the skills needed to be a successful law student giving the reader easy to use tools to analyze legal materials and construct clear arguments.
