IMPORTANT NOTICE

This manual has been provided for the use of authorized YAMAHA Dealers and their service personnel.
It has been assumed that basic service procedures common to the industry, and more specifically YAMAHA's Products, are already known and understood by the user, and have therefore not been included.

WARNING: Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of expensive components, and failure of the product to perform as specified. For these reasons, the service of YAMAHA's product requires that any service required should be performed by the authorized YAMAHA Dealer or the approved service representative.

IMPORTANT: The permission to use of this manual is not intended to free the user from personal responsibility, contribution or acceptance of any applicable national regulations, to establish a principle upon transgression of any form.

The data provided is made only to be accurate and applicable to the version indicated on the cover. The research, engineering, and service departments of YAMAHA are constantly working to improve YAMAHA's products. Modifications are, therefore, made and specifications are subject to change without notice or obligation to notify. Should any discrepancy appear to exist, please contact the distributor's Service Division.

WARNING: Major discharges and electric explosion components. Discharge any static electricity from body and avoid accumulation to grounding ground to the ground level in the main theory, please check before contact to this device.

IMPORTANT: Turn the main DPT during disassembly and parts replacement. Recheck all work before you apply power to the unit.
