

THE OUTSIDERS

Please demonstrate how **savvy** you have become of the novel:

In class, we have been discussing the fact that each character in *The Outsiders* has a specific role in the story. No action or description is meaningless in the book and you will have the opportunity to take a closer look at one particular character. Do some brief research on your character and complete the diagram below. Everyone must complete this activity for 100 points.

Character Name and Description

Include:

Age
Job / Position
Relationships
Hard Facts

Symbolism of the Eyes

Begin with a quote describing the character's eyes. What do the character's eyes tell you about him? What does this add to the book? Be sure that you go beyond just stating, "He has blue eyes and this means he was good looking." You need to illustrate what the description of his eyes has to do with what is going on in the story.

I felt like [*Your character*] when...

Choose an event or time in your life when you faced the issues that your character faces. It might be a direct similarity or an indirect one, but you must be able to tie in the things that your character is going through to your own life.

"The Big Picture"

Why is your character in the story? What does he bring to the table that no other character does? Describe how he relates to the bigger themes that Hinton is trying to discuss.
