Star Dancer Ben Winston,2015-05-20 Discovering a threat to Star Dancer and Earth Ian and his people get ready for an attack by the enemy that destroyed the planet Talos Ian and his people realize they are horribly out gunned and outnumbered when the aggressors arrive in a planet killer type vessel that dwarfs Star Dancer How will Ian overcome this enemy and save the day     *Olympus* Ben Winston,2015-05-20 Over four thousand years ago a starship crashed on the dark side of the moon Acting on its final orders the AI began repairs and then searched for a new crew Finding Ian Williams a virtual clone for its original commander the AI contacts him and convinces him to undertake the challenge of getting the big ship back in space and protecting the Earth from the enemy that originally caused it to crash Can Ian do what needs to be done without any of the governments of the planet finding out about it Will one star ship be enough to protect the planet Will the damn thing even be able to fly again     Star Dancer Dell Sweet,2017-07-14 Michael Watson sat at the mouth of the cave staring out over the valley below This close to the thick plastic the air was cold but the wooden benches were comfortable if a little hard They had served for dozens upon dozens of people since Mike and Tom had built them some thirty years before They still served them well He turned and smiled at several children who sat nearby pointing out different landmarks in the valley far below The children especially never seemed to tire of sitting on the low benches and looking out over the valley Michael chuckled to himself turned his eyes from the other benches and back out on the valley far below The snow was falling heavy Two hours ago late fall had been holding steady little smudges of green had still existed throughout all the fall foliage in the valley Now it was quickly becoming a blanket of white Fall had lost this round Years before they had devised a new year that better kept track of seasons and the much longer year Hay Vida had Even with a year that now held some 95 extra days spread over fifteen months to even the seasons out the time still seemed to move by too quickly Time was never a friend to anyone Michael thought Well maybe death nothing else The seasons had worked themselves out after a few years Some longer some shorter it was winter that had come out the winner in that round Even slightly longer winters had a huge impact on the year around weather and the planting that could be accomplished It took much longer to get through winter longer for spring to thaw the valleys and fields for planting longer for the sun to warm the ground and glaciers were forming in the north Growing ever bigger year by year Michael had sometimes wondered in years past if he would see them come this far Of course the answer was no They would not come this far in his lifetime but he had no doubt they would come here eventually Winter was coming in strong today there would be little left to do soon but plan the hunts and tell stories around the fire Leaving Earth behind was hard Traveling millions of miles to a possibly inhabitable system was even harder What's next will be even harder Join the Star Dancer crew as they search for a new home among the stars     Star Dancer F. Sampson,1993     **Conflict** Ben Winston,2024-01-29 As Ariel and her friends get ready to start making a difference the Senate decides to do it for her and declares war on the Empire Ariel learns more about what it means to be a leader and the
