So why can't they and their best friend and their neighbor lose weight? Because Bread is the Devil. Yes, that's Bauer's shorthand for the inevitable demonic pull that certain bad habits exert on people who try to change their eating routines to drop the pounds. Many of us have been there. You had a sensible healthy breakfast high in protein with complex carbs. Ditto for lunch: soup and a salad with a warm rush of accomplishment and self control for dessert. But now it's dinnertime and you're out with friends, enter a large basket of warm sliced crusty sourdough bread with a little tub of chive butter. Suddenly you're in the seventh circle of hell, the one reserved for gluttons. Bread's not your devil. How about ice cream or chips or that big slab of buttercream frosted birthday cake? Bread Is the Devil will help you fight those hellish cravings that stop you from losing the weight you want. By identifying how certain factors promote overeating, Heather will identify the top ten Diet Devils that challenge healthy eating. Provide specific proven strategies that free you from these devils once and for all. Offer up a simple flexible guide that will help you reach your goal in twenty one days and make eating fun again.
