with minimal experience and no capital can unravel your strategy before you even begin to grasp what's happening. Never mind the innovator's dilemma; this is the innovator's disaster. And it's happening in nearly every industry. Worse, Big Bang Disruptors may not even see you as competition. They don't share your approach to customer service and they're not sizing up your product line to offer better prices. You may simply be collateral damage in their efforts to win completely different markets. The good news is that any business can master the strategy of the start-ups. Larry Downes and Paul Nunes analyze the origins, economics, and anatomy of Big Bang Disruption. They identify four key stages of the new innovation life cycle, helping you spot potential disruptors in time. And they offer twelve rules for defending your markets, launching disruptors of your own, and getting out while there's still time. Based on extensive research by the Accenture Institute for High Performance and in-depth interviews with entrepreneurs, investors, and executives from more than thirty industries, *Big Bang Disruption* will arm you with strategies and insights to thrive in this brave new world. **Fresh Cup**, 2010. Daniel Im, 2017-09-01. What if I told you that you were only one step away from unlocking new levels of maturity and growth in your church? The myth of the silver bullet still exists because we desperately want it to. We all prefer quick fixes and bandage solutions to the long, hard, slow work that produces real change. So the moment we learn about a new ministry or strategy and see its effect in another church, we run to implement it in our own. Unfortunately, this impulse is usually met by opposition, skepticism, and ultimately rejection. What if the solution isn't a new model or a complicated strategy but a shift in perspective? What if you could keep your church's current vision, values, and model and simply make a few micro shifts leading to macro changes? This book explores five micro shifts that have the potential to produce macro changes in your church. As you read, you will discover how to integrate these micro shifts into the life of your church, starting with the way you disciple. You will finish by developing a plan to structure, communicate, and evaluate these changes to ensure that they take root and pave the way for lasting change and kingdom impact. **MARKETING MANAGEMENT**.
