## **Starr Lined Paper:**

Sadie Starr's Guide to Starting Over Miranda Luby, 2022-08-02 Sadie Starr attempts to leave her old self behind but life at her new school proves starting over is more complicated than it sounds      The Passing of Starr Faithfull Jonathan Goodman, 1996 This work winner of the Crime Writers Association's Gold Dagger Award provides an account of the international scandal and media activity surrounding the death of Starr Faithfull in 1931 Granted access to the police dossier the author arrives at an unexpected yet credible conclusion      **The Return of Henry Starr** Richard Slotkin, 2024-08-06 Wild West lore collides with a life of crime in this biographical novel of the legendary Cherokee outlaw Growing up on Indian Territory in Oklahoma Henry Starr had an illustrious family lineage half Cherokee warriors half western outlaws Inspired by dime store novels and old family tales he began robbing banks to avenge the bitter mistreatment of his people But while Starr's criminal career soon made him a legend it also won him a death sentence That was years ago before a lucky twist of fate set Henry free But while the world has changed around him the myth of the outlaw Henry Starr lives on Now his best chance at a new life is to work in Hollywood depicting his former self in silent films As Henry is drawn into a glamorized version of his own past it becomes difficult to separate truth from fiction And he soon finds himself returning to the life that made him a notorious icon A fictionalized tale of Henry Starr's dramatic life novelist and historian Richard Slotkin brings authentic period detail to this saga of the frontier      **Starr, of the Desert** B. James was published the first in a series of high profile portraits to brand Starr as a villain Now celebrated author Michael Wallis parses over a century of mythmaking to reveal the woman behind the renegade legend Wielding compelling research including correspondence official records and contemporary newspaper accounts Wallis traces Starr s beginnings to Carthage Missouri where she was born Myra Maibelle Shirley in 1848 and was classically educated to be a Southern belle Myra s early years were characterized by the chaotic violence of the Civil War she was traumatized by the death of her brother who was killed riding with bushwhackers one of the many insurgent guerilla groups supporting the Confederate Army From then on she swore revenge against all Yankees and became a willing friend to any brave and gallant outlaw The crimes committed by Starr s innermost circle stagecoach stickups bank robbery horse theft would take her from war torn Carthage to rollicking Scyene Texas until she finally settled in Indian Territory present Oklahoma And although Starr indeed ran in the same circles as notorious outlaws Jesse James and the Younger brothers the crimes ascribed to her were greatly embellished including the fact that the allegedly bloodthirsty Starr more than likely never killed a single person Turning a redemptive eye to Belle Starr s tarnished legacy Wallis crafts an illuminating portrait of a woman demonized for refusing to accept the genteel Victorian ideals expected of her a woman who chose instead to live her life outside the law riding sidesaddle with a pearl handled Colt 45 strapped to her hip [The Right Thing](#) Amy Conner,2014-05-27 Annie Banks life is in for a change when she agrees to go on a road trip to New Orleans with a childhood friend she hasn t seen in years Original
