Write Effectively Tim Albert, 2021-08-05 Many people are surprised by the range of what they have to write reports letters applications minutes essays protocols policy statements articles the list goes on They also have to face a constant procession of emails which people tend not to count as real writing but which are every bit as important and which even the decisive can take two hours or more a day to deal with At the same time we seem particularly ill prepared for all this writing The task is badly defined time consuming and difficult Courses on how to do it are rare Agreement on good writing seems to be rarer still and the whole process often appears to be more about internal power squabbles than external communication Not surprisingly many writers in the health services dislike it and avoid it whenever possible Others proceed reluctantly without confidence and without any satisfaction at the end of each writing task This book sets out to help you by showing you what writing is all about It will give you some tools that will enable you to do it with confidence I would be lying if I said that you will come to enjoy writing some suffering is inevitable even desirable but as you go through this book you should be able to approach each writing task in a more confident manner and therefore your output should be more effective More important you should be able to take control of your writing and once you have grasped the essentials you will have a powerful tool to help you achieve your goals

Habit Stacking: How To Write 3000 Words & Avoid Writer's Block (The Power Habits Of A Great Writer) Scott Green, 2015-06-10 If you have always been drawn to word have vivid imagination and possess knack for putting your mental pictures into words you have probably been drawn to or tried your hand at writing one or more times in your life Every day we see the newly released books hitting the shelves or e books becoming available online and we are compelled to consider what it takes to turn our way with words into a vessel which is able to transport us to greatness as authors Effective writers both past and current whom have left a literary mark of depth and inspiration upon the world have a way of thinking which differs from others around them Like anyone who is filled with creative drive their thought processes may seem a little off but it is their acceptance of this fact and their willingness to publicly embrace their own psychology that has taken them where they are today So do you think like an individual who has the potential to be a writer of renown one who will leave a permanent mark on the hearts and minds of those who enter your written world Here we will review the way great writers think and the way they process and respond to their own thoughts and we will show the parallels between these characteristics and the brilliant works they produce Read on to find out where you stand psychologically and how your psychological make up stacks up to that of a consistently successful and sought after writer
