NATIONAL BESTSELLER The year is 1984 and the city is Tokyo A young woman named Aomame follows a taxi driver s enigmatic suggestion and begins to notice puzzling discrepancies in the world around her She has entered she realizes a parallel existence which she calls 1Q84 Q is for question mark A world that bears a question Meanwhile an aspiring writer named Tengo takes on a suspect ghostwriting project He becomes so wrapped up with the work and its unusual author that soon his previously placid life begins to come unraveled As Aomame s and Tengo s narratives converge over the course of this single year we learn of the profound and tangled connections that bind them ever closer a beautiful dyslexic teenage girl with a unique vision a mysterious religious cult that instigated a shoot out with the metropolitan police a reclusive wealthy dowager who runs a shelter for abused women a hideously ugly private investigator a mild mannered yet ruthlessly efficient bodyguard and a peculiarly insistent television fee collector A love story a mystery a fantasy a novel of self discovery a dystopia to rival George Orwell s 1Q84 is Haruki Murakami s most ambitious undertaking yet an instant best seller in his native Japan and a tremendous feat of imagination from one of our most revered contemporary writers      Business Japan ,1989-07      **Beyond Belief** Josh Hamilton,Tim Keown,2025-05-01 Josh Hamilton was the first player chosen in the first round of the 1999 baseball draft He was destined to be one of those rare high character superstars But in 2001 working his way from the minors to the majors all of the plans for Josh went off the rails in a moment of weakness What followed was a 4 year nightmare of drugs and alcohol estrangement from friends and family and his eventual suspension from baseball BEYOND BELIEF details the events that led up to the derailment Josh explains how a young man destined for fame and wealth could allow his life to be taken over by drugs and alcohol But it is also the memoir of a spiritual journey that breaks through pain and heartbreak and leads to the rebirth of his major league career Josh Hamilton makes no excuses and places no blame on anyone other than himself He takes responsibility for his poor decisions and believes his story can help millions who battle the same demons I have been given a platform to tell my story he says I pray every night I am a good messenger

New Yorker Nominated for a National Book Critics Circle Award in Nonfiction Excellent A more intimate picture of the dictator s thinking about world politics local power and his relationship to the United States than has been seen before The New York Times Another triumph from one of our best journalists The Washington Post Voluminously researched and compulsively readable Air Mail From bestselling and Pulitzer Prize winning author Steve Coll the definitive story of the decades long relationship between the United States and Saddam Hussein and a news breaking investigation into one of the costliest geopolitical conflicts of our time When the United States invaded Iraq in 2003 its message was clear Iraq under the control of strongman Saddam Hussein possessed weapons of mass destruction that if left unchecked posed grave danger to the world But when no WMDs were found the United States and its allies were forced to examine the political and intelligence failures that had led to the invasion and the occupation and the civil war that followed One integral question has remained unsolved Why had Saddam seemingly sacrificed his long reign in power by giving the false impression that he had hidden stocks of dangerous weapons The Achilles Trap masterfully untangles the people ploys of power and geopolitics that led to America s disastrous war with Iraq and for the first time details America s fundamental miscalculations during its decades long relationship with Saddam Hussein Calling on unpublished and underreported sources interviews with surviving participants and Saddam s own transcripts and audio files Steve Coll pulls together an incredibly comprehensive portrait of a man who was convinced the world was out to get him and acted accordingly A work of great historical significance The Achilles Trap exposes how corruptions of power lies of diplomacy and vanity on both sides led to avoidable errors of statecraft ones that would enact immeasurable human suffering and forever change the political landscape as we know it
