From Buddy to Boss 2nd Edition Study Guide Chase Sargent, Chase Sargent's *From Buddy to Boss Study Guide* complete with an answer key and page number references perfectly complements his best seller *From Buddy to Boss Effective Service Leadership*. Before he started teaching these leadership skills it quickly became apparent that leadership and human resources training was as scarce as water in a desert and that the re service was thirsty. Sargent knows from decades of experience that simply reaching the top of the organizational ladder does not make you a good leader. Many leaders are surrounded by external politics, hidden agendas, scal constraints and manipulative people, all factors to consider when navigating your career. *From Buddy to Boss* reinforces that the fire service desperately needs leaders. This book and study guide will help develop frontline personnel as leaders.

Leadership Douglas R. Carlile, 2025-05-08 Douglas R Carlile is a retired NCO in the U S Army. Over his long career he has experienced and witnessed in action a plethora of different leadership styles and techniques. *Leadership Good Bad Toxic and Political* is based upon this extensive career and the leaders of all stripes that he's seen. Through these lessons learned and the model of others in different capacities he has developed his own philosophy of leadership. About the Author As a child Douglas R Carlile grew up in the Chicago suburbs. His childhood was one of less social involvement with peers and non involvement with school sponsored activities. He finished high school and went into military service at 20 years of age after seeing little chance for success in the atmosphere around him. After less than a year's time in service he felt that he had fit right in the military.
