

For use with garage door openers, gate operators or other products that are 315 MHz Security+<sup>®</sup>. Compatible with garage door openers that have a purple learn button. The code between the remote control and the receiver changes with each use, randomly accessing over a billion new codes. Refer to your product manual for the location of the learn button.

**NOTE:** Your product may look different than the products illustrated in this manual.

### PROGRAMMING THE REMOTE CONTROL

**1** Locate the SmartLearn button.

**2** Press and immediately release the learn button. The learn LED will glow steadily for 30 seconds. Within 30 seconds...

**3** Press and hold the button on the remote control that you wish to use.

Release the button when the garage door opener lights blink or two clicks are heard. If programming to other products, press the button a second time to activate the product.

### TO CONTROL THE GARAGE DOOR OPENER LIGHTS

This feature is only available on garage door openers equipped with a multi-function door control and a remote control with more than one button. Not available with universal receiver. With Security+<sup>®</sup> remote controls, a remote control button can be programmed to operate the garage door opener lights without opening the door.

**1** With the door closed, press and hold the remote control button that you want to control the light.

**2** Press and hold the light button on the door control.

**3** Press and hold the lock button on the door control.

After the garage door opener lights flash, release all buttons.

### TO ERASE ALL CODES FROM MEMORY

Test by pressing the remote control button. The garage door opener lights should turn on or off but the door should not move.

When deactivating any unwanted remote control code, all previous codes will be erased.

**1**

Press and hold the learn button on garage door opener or other product until the learn LED goes out (approximately 5 seconds). All previous codes are now erased. Reprogram each remote control you wish to use.
