That Lass O' Lowrie's Frances Hodgson Burnett,2020-04-08 They did not look like women or at least a stranger new to the district might easily have been misled by their appearance as they stood together in a group by the pit s mouth There were about a dozen of them there all pit girls as they were called women who wore a dress more than half masculine and who talked loudly and laughed discordantly and some of whom God knows had faces as hard and brutal as the hardest of their collier brothers and husbands and sweethearts They had lived among the coal pits and had worked early and late at the mouth ever since they had been old enough to take part in the heavy labor It was not to be wondered at that they had lost all bloom of womanly modesty and gentleness Their mothers had been pit girls in their time their grandmothers in theirs they had been born in coarse homes they had fared hardly and worked hard they had breathed in the dust and grime of coal and somehow or other it seemed to stick to them and reveal itself in their natures as it did in their bold unwashed faces At first one shrank from them but one s shrinking could not fail to change to pity There was no element of softness to rule or even influence them in their half savage existence On the particular evening of which I speak the group at the pit s mouth were even more than usually noisy They were laughing gossiping and joking coarse enough jokes and now and then a listener might have heard an oath flung out as if all were well used to the sound Most of them were young women though there were a few older ones among them and the principal figure in the group the center figure about whom the rest clustered was a young woman But she differed from the rest in two or three respects The others seemed somewhat stunted in growth she was tall enough to be imposing She was as roughly clad as the poorest of them but she wore her uncouth garb differently The man s jacket of fustian open at the neck bared a handsome sunbrowned throat The man s hat shaded a face with dark eyes that had a sort of animal beauty and a well molded chin It was at this girl that all the rough jokes seemed to be directed
