It discusses how to use social media to build relationships, share our faith, and make a positive impact on the world. It talks about how to use the internet to learn new things, connect with others who share our interests, and find support during difficult times. And it talks about how to use the internet to worship God and grow in our faith. Finally, the book looks ahead to the future of the internet. It discusses some of the emerging technologies that are likely to shape the way we use the internet in the years to come. It also discusses the ethical challenges that these new technologies present.
