The Alphas Hunger English Edition:

Big Bad Boss Renee Rose, Lee Savino, RULE 3 OF WALL STREET NEVER BACK DOWN No one can know I've claimed the human as my mate. The enemies are at the gates, one wrong move and I'll lose it all. My world will never be safe for her. If my pack finds out that I've mated a human, they'll revolt. The fractures will grow deeper than ever, and we'll be picked apart one by one. The lives of everyone I love hang in the balance. Madison may bear my mark, but she isn't content to remain my dirty little secret. Now I must choose love or my pack. Either way, one will die. **Marked** is book three in the Big Bad Boss trilogy. The books must be read in order. It features a billionaire boss, a wolf shifter, and his freakishly smart assistant. **Claimed by the Zandian** Renee Rose, Rebel West, 2024-01-03 I CAN'T CLAIM HER BUT SHE WILL CALL ME MASTER I was born blind. My genes are defective. Unsuitable for breeding. That's the only reason I don't claim the alluring human we rescued from a slave auction. I have no intention of mating her, especially since she's meant for another. But when she calls me Master, I can't help but take command. And command I will. **Stolen by the Zandian** Renee Rose, Rebel West, 2024-01-03 STOLEN FROM AUCTION Khrys My career is on the line here. King Zander demoted me. The planet is in crisis over a viral epidemic affecting the human half-breeds. If I could get my hands on the genetically modified human, she could be the answer to both problems. But I didn't expect to fall for the feisty little female who stole my heart while I stole her body. Kailani I'm an upgraded human. Genetically modified by my Kraa masters to be immune to any illness. Faster. Stronger. A better slave for the new master who buys me at auction. I planned to escape before that happened. But those plans were thwarted by the giant purple horned alien. The warrior didn't buy me, he stole me. And now he's bringing me back to his planet. He says my life will be more than tests in a lab, but I don't know if I can trust him. I don't know if I can trust my own judgment. Not when I'm falling for him more and more every planet rotation. The Alpha Sigma, 1902 **Dangerous** Vanessa Vale, Renee Rose, 2025-10-11 Pack Rule 10 Keep control of your inner wolf. I live alone on the mountain for a reason. I'm dangerous, too strong, too aggressive, too close to feral. But then she shows up with sweet curves, sultry voice, and a scent that drives my wolf insane. A gorgeous human pouring drinks at Cody's Saloon and hiding a shattered past behind her smile. I know the second I scent her, she's mine. My mate. The one I was made for. My wolf surges to claim her. But she's just escaped a controlling ex who tried to silence her music, her voice, her very soul. My alpha instincts are everything she fears. I'm possessive. Dominant. Overwhelming. And she's terrified of losing her freedom again. I've held back my entire life. From the pack. From power. From the madness in my blood. But I won't hold back from her. Not when she's what anchors me. I'll protect her. Please her. Put her music back in the world. And if she'll let me, I'll make her mine completely. Even if I have to unleash every dark, dangerous part of myself to do it. Dominion Renee Rose, 2024-11-05 Alpha wolf dominance at its darkest, dirtiest, and daddiest. Includes two full-length novels and two short stories. The Alpha's Hunger Say I belong to Ben Stone. Billionaire CEO Ben. The Stone Man. Stone never cracks a smile, fires people on the spot, and won't let anyone work on the same floor as him. Until he meets Ashley, an intoxicating young

human from Marketing Her scent drives him wild igniting a hunger so deep he can't resist hiring her to be his assistant The Alpha's Punishment It started with a small deception Ashley's alpha shifter fiancé still thinks they've been trying to conceive a pup when she's secretly been taking the pill When he finds out there's going to be hell to pay and that means a hot punishment from her dominant wolf The Alpha's Promise When an Alpha makes a promise his word is bond When Cody promises the Denver Alpha he'll rescue his sister-in-law from danger he doesn't account for the mayhem the female will bring to his life He has no idea how to survive with her delectable scent under his roof When he craves her lush body more than his next breath But the sexy real estate agent is too prim and polished for his rough style too ungrateful for his help and way too determined to get herself back into trouble What she needs is a bit of his wolf style discipline The Alpha's Protection His wolf wants to mark me I can't let it happen On the run with my kids the last thing I expect is to find my true mate He's magnificent a shifter enforcer and a human lawman a true protector He wants to shield us from danger He wants to claim me and make it forever But I can't let him Not when it could cost him his life
