Civic Engagement in Contemporary Japan Henk Vinken,Yuko Nishimura,Bruce L. J. White,Masayuki Deguchi,2010-03-25 Civic engagement is a concept of action that has become part of common vocabulary not only in the West but also in many other regions of the world as well A growing yet still small number of scholarly works has recently emerged showing how in Japan citizen activism volunteering and social action for a public cause are dev oping This present volume is another and in my view important addition to the body of knowledge on civic engagement in Japan The majority of books on related issues in Japan take on the perspective of organized civic life in nongovernmental organizations NGOs or nonprofit organizations NPOs we know quite a number of things about the quantitative trends in these organizations on their positioning on their difficulties and on the institutional contexts in which they have to work We know relatively little except for a small number of topical qualitative case studies on broad issues that relate to civic engagement in Japan inside or outside these formal organizations This volume is the first to offer a wide scope of broad variety of forms of civic engagement in contemporary Japan The volume is quite forceful in counterbalancing oversimplified ideas on an ideal civil society in which state market and civil society organizations are in pendent and at best take on oppositional stances

Alternative Media in Contemporary Turkey Murat Akser,Victoria McCollum,2021-10-06 The transformations in alternative media journalism and social protest in contemporary Turkey have largely occurred due to the upsurge in use of social media Some of the most fervent users of social media in the world come from Turkey where forms of social media are frequently banned by the Turkish government This book looks at the structural economic and political reasons why the current media system fails urban educated young professionals in Turkey and led them to a month long resistance and protest through the use of social media during OccupyGezi movement The book outlines the history of alternative media use and the ways in which it has become a tool for the critics of the neoliberal economic system in Turkey The collection concentrates on social media use within social movements and applies interdisciplinary approaches and research methods ranging from cinema and visual arts to sociology political science content analysis and ethnographic study

Feminist Media Elke Zobl,Ricarda Drüeke,2014-04-15 While feminists have long recognised the importance of self managed alternative media to transport their messages to challenge the status quo and to spin novel social processes this topic has been an under researched area Hence this book explores the processes of women s and feminist media production in the context of participatory spaces technology and cultural citizenship The collection is composed of theoretical analyses and critical case studies It highlights contemporary alternative feminist media in general as well as blogs zines culture jamming and street art

Race, Representation, and Satire Christopher P. Campbell,2023-12-06 Race Representation and Satire examines the role of humor sarcasm and parody in providing audiences with insight into race and racism in contemporary media through an analysis of representations of race and ethnicity in texts online content television shows and

comedy routines Contributors argue that while many minoritized groups continue to be targeted by stereotypes and myths that have lingered for centuries satire and comedy can be powerful tools for reversing harmful narratives and generating accurate authentic and inclusive representations Scholars of media studies popular culture rhetoric and race will find this book particularly useful

Handbook of Research on the Political Economy of Communications and Media Karlidag, Serpil, Bulut, Selda, 2020-03-20 The political economy deals with the structure of production and the social relations of people in production With its focus on structures and practices the political economy also analyzes the contradictions of capitalism and suggests resistance and intervention strategies using methods from history economics sociology and political science The dominant commercial media in capitalism operates both as a product of economic and political structure and as an industrial institution with economic and political functions Current Theories and Practice in the Political Economy of Communications and Media is a collection of innovative research on new approaches in the political economy of communication in the process of globalization While highlighting topics including consumer behavior news production and public relations this book is ideally designed for newscasters broadcasters journalists marketers advertisers production managers researchers industry professionals academics and students seeking to extend the border of standard political economy of communication studies into relatively undiscovered areas

Sustainable Resilience in Women's Film and Video Organizations Rosanna Maule, 2023-07-14 This book illustrates a distinctive lineage of critical interventions in moving image culture and in the public sphere through the trajectories of a small number of film and video organizations established between the 1970s and the early 1980s in Western Europe and North America mainly by women and still operative today The six case studies examined Drac M gic Women Make Movies Groupe Intervention Vid o Leeds Animation Workshop bildwechsel Centre Audiovisuel Simone de Beauvoir have maintained a discrete yet continuing presence within an audiovisual industry and a cultural system dominated by institutionalized and corporate forms of production and distribution Their longevity quite a rarity in the independent circuit makes a strong case for the sustainability of feminist LGBTQ media activism in the public sphere in spite of its low key profile This volume will be of interest to academicians of history and communication studies feminist and LGBTQ topics and gender related cinematic culture

Youth Citizenship and the European Union Elvira Cicognani, Frosso Motti-Stefanidi, 2020-06-29 This book applies a number of different disciplinary and geographical perspectives to ascertain whether and how European youth identify with the EU trust EU institutions and engage in EU issues It investigates the factors and processes that predict the different ways in which young Europeans engage or do not engage with social and political issues and become active European citizens The volume is based on results from the first two years of the Horizon 2020 CATCH EyoU project Constructing AcTive CitizensHip with European Youth Policies Practices Challenges and Solutions It addresses different dimensions of active citizenship in the EU and different processes and contexts that explain the construction of youth active citizenship including societal level factors such as policy

context and media interaction level contexts such as school and family and individual level factors The final chapter emphasizes the impact of the current historical context on the development of young Europeans civic identity and their understanding of the social and political reality With contributions from a variety of disciplines including psychology political science communications and education and spanning geographic contexts across Europe this book will be of interest to researchers studying contemporary European youth and the construction of young people s identity This book was originally published as a special issue of the European Journal of Developmental Psychology Chapters 1 and 5 are available Open Access at <https://www.routledge.com/products/9780367236557> *Routledge Handbook on Arab Media* Nouredine Miladi, Noha Mellor, 2020-11-29 This handbook provides the first comprehensive reference book in English about the development of mass and social media in all Arab countries Capturing the historical as well as current developments in the media scene this collection maps the role of media in social and political movements Contributors include specialists in the field from North America Europe and the Middle East Each chapter provides an overview of the history regulatory frameworks and laws governing the press and socio political functions of the media While the geopolitical complexities of the region have been reflected in the expert analyses collectively the focus is always the local context of each member state All 38 chapters consider the specific historical political and media trajectories in each country to provide a contextual background and foundation for further study about single states or comparative analysis in two or more Arab states Capturing significant technological developments and the widespread use of social media this all inclusive volume on Arab media is a key resource for students and scholars interested in journalism media and Middle East studies **Handbook of Media and Communication Economics** Jan Krone, Tassilo Pellegrini, 2024-10-28 This handbook maps the media economy in its entirety against the background of the advancing digitalization of communication media production media distribution and the adaptation of regulatory framework conditions from different disciplinary approaches It provides an integrated view on digitally induced economic transformations of the European media sector and gives an explicitly European perspective on media economics challenging the dominant US American view Topics covered include but are not limited to Theoretical approaches to media economics media technologies and data management in media economics building blocks of the media industry media types and core distribution markets system aspects and communication culture media systems and regulatory policy as well as methods of media economics The handbook is a must read for students teachers and researchers in media and communication economics and science as well as practitioners and policy makers at the nexus of media business and politics **The Decline of Public Access and Neo-Liberal Media Regimes** Brian Caterino, 2020-04-28 This book examines the reasons behind the declining fortunes of public access channels Public access which provided perhaps the boldest experiment in popular media democracy is in steep decline While some have argued it is technologically outmoded Caterino argues that the real reason lies with the rise of a neo liberal media regime This regime creates a climate in which

we can understand these changes This book considers the role of neo liberalism in transforming notions of public obligations and regulation of media that have impacted non profit media specifically public access Neo liberalism has tried to eliminate public forums and public discourse and weakens institutions of civil society Though social media is often championed as an arena of communicative freedom Caterino argues that neo liberalism has created a colonized social media environment that severely limits popular democracy *InsUrgent Media from the Front* Chris Rob  ,Stephen Charbonneau,2020-11-03 In the 1940s it was 16 mm film In the 1980s it was handheld video cameras Today it is cell phones and social media Activists have always found ways to use the media du jour for quick and widespread distribution InsUrgent Media from the Front takes a look at activist media practices in the 21st century and sheds light on what it means to enact change using different media of the past and present Chris Rob and Stephen Charbonneau s edited collection uses the term insUrgent media to highlight the ways grassroots media activists challenged and are challenging hegemonic norms like colonialism patriarchy imperialism classism and heteronormativity Additionally the term is used to convey the sense of urgency that defines media activism Unlike slower traditional media activist media has historically sacrificed aesthetics for immediacy Consequently this run and gun method of capturing content has shaped the way activist media looks throughout history With chapters focused on indigenous resistance community media and the use of media as activism throughout US history InsUrgent Media from the Front emphasizes the wide reach media activism has had over time Visibility is not enough when it comes to media activism and the contributors provide examples of how to refocus the field not only to be an activist but to study activism as well
