issues such as war natural disasters sexual orientation economic disparity immigration reform interfaith matters and ecological disaster In short when the Bible met the big issues in congregational space and time the church was transformed in Spirit and made ready for real action In thirty four sermons that go from pre emptive war to the Arab Spring Seth insists that nothing that happens in real history lies outside the realm of theological reflection and that there is nothing a congregation cannot delve into once it has seen why the particular kingdom message of Jesus Christ is stronger than any other power
