

FOREWORD

This manual contains an introductory description of the Suzuki LT-250 and procedures for its regular maintenance and overhaul of its main components. Other information considered as generally known is not included.

Read the GENERAL INFORMATION section to become familiar with the vehicle and its control system. Use this section, as well as other sections to act as a guide for proper inspection and service. This manual will help you know the vehicle better so that you can secure your customers' safety and satisfaction.

The manual has been prepared on the basis of the latest specifications at the time of publication. If modifications have been made since then, differences may exist between the content of this manual and the actual vehicle.

Illustrations in this manual are used to show the basic principles of operation and work procedures. They may not represent the actual vehicle exactly in detail.

This manual is written for persons who have enough knowledge, skills and tools, including special tools, for servicing Suzuki vehicles. If you do not have the proper knowledge and tools, ask your authorized Suzuki motorcycle dealer to help you.

WARNING

Inexperienced mechanics or mechanics without the proper tools and equipment may not be able to properly perform the services described in this manual. Improper repair may result in injury to the mechanics and they render the vehicle unsafe for the rider.
