The Knowledge Of The Holy:

The Knowledge of the Holy A. W. Tozer, 2022-01-27 This classic of Christian testimony and devotion explores the attributes of God in words that fly straight to the heart A superb aid to strengthening and deepening the spiritual life each chapter begins with a prayer lucidly discusses a divine aspect from God's infinity to God's love and relates that aspect to today's world while pointing always to God's wonder and inscrutability A W Tozer asserts that the cause of many of our modern spiritual woes is the loss in today's church of a lofty concept of God He argues persuasively that the cure lies in our rediscovery of God's majesty True religion confronts earth with heaven and brings eternity to bear upon time says the author in his preface The messenger of Christ though he speaks from God must also as the Quakers used to say speak to the condition of his hearers otherwise he will speak a language known only to himself His message must be not only timeless but timely He must speak to his own generation The message of this book is indeed both timeless and timely Tozer is primarily concerned with the loss of the concept of majesty from the popular mind and more importantly in the thinking of the church He sees the church as having surrendered her once lofty concept of God not deliberately but little by little and without her knowledge With this comes a further loss of religious awe and a sense of the divine presence of an appropriate spirit of worship and of our ability to withdraw inwardly to meet God in adoring silence Tozer attempts to address this problem to go back to the causes of the decline and to understand and correct the errors that have given rise to our loss of a sense of the holy It is impossible to keep our moral practices sound and our inward attitudes right while our idea of God is erroneous or inadequate he tells us

THE KNOWLEDGE OF THE HOLY A. W. Tozer, 2025-07-25 What comes into your mind when you think about God is the most important thing about you In this spiritual classic A W Tozer restores the grandeur and majesty of God to the forefront of Christian thought and worship The Knowledge of the Holy offers a powerful exploration of God's attributes His eternality omnipotence holiness love sovereignty and more not as abstract doctrines but as life shaping realities With each short devotional chapter beginning in prayer Tozer leads the reader beyond mere information into adoration His rich reverent prose awakens the heart to the awe of knowing the living God rightly and challenges every believer to cast aside shallow religion for deeper communion with the Almighty This Annotated Edition brings Tozer's timeless insights into sharper focus with updated formatting and supplemental notes to aid modern readers Whether you are a new believer or a seasoned Christian longing for a fuller vision of God this book will help rekindle a holy reverence nourish your soul and reshape your life The low view of God entertained almost universally among Christians is the cause of a hundred lesser evils A W Tozer
