The Lesson Plan Lords Of Lancashire English Edition:

Sleeping with the Enemy Jackie Barbosa, 2021-05-17 When Laura Farnsworth discovers the blood stained body of a man wearing the distinctive red coat of the British army her first instinct is to let dead dogs lie But then the man proves himself to be very much alive by grabbing her ankle and mumbling incoherently After twenty five years in His Majesty's service Lieutenant Colonel Geoffrey Langston never expected to wake up in heaven much less being tended an angel Not to mention an angel who happens to be American As the long widowed Laura nurses him back to health the attraction between them heats from a simmer to a boil He should be working to find his way back to his regiment and from there to England Instead he's sleeping with the enemy and thereby committing the crime of desertion if not treason But then who's going to find out If only his family didn't refuse to take missing in action for an answer Previously published as *The Soldier's Forbidden Lover*

Hot Under the Collar Jackie Barbosa, 2012-07-24 No one ever expected the rakish irresponsible Walter Langston to take up the collar least of all himself After an accident renders him unfit for military service however he has few other options When he's given the post of vicar at a parish church in a sleepy coastal village he's convinced he'll molder in obscurity Artemisia Finch left a lucrative career as a celebrated courtesan to care for her ailing father Returning home hasn't been easy though as her past isn't even a poorly kept secret in the village When the new vicar arrives on her doorstep Artemisia is determined to send him on his merry pious way But Walter Langston is nothing like any man of the cloth she's ever known he's funny irreverent handsome and tempting as sin Falling in love with a vicar would be a very bad idea for a former courtesan Why does this one have to be so hot under the collar Previously published as *The Vicar's Mistress*

Sinfully Ever After Jackie Barbosa, 2018-09-11 Lady Jane St Clair should be happy After all she's betrothed to the man she adores But the Earl of Chester is a notorious rake who has dallied with London's loveliest women and Plain Jane can never hope for his fidelity Gerard Nash is resigned to a lustless marriage and for appearances has given up his mistress But celibacy is not for him and in the weeks before his wedding he frequents London's poshest brothel There a masked woman with the body of a goddess brings him exquisite pleasure There's just one catch This harlot must remain a virgin NOTE This book was originally published by Kensington Books in 2009 in the anthology titled BEHIND THE RED DOOR

Wickedly Ever After Jackie Barbosa, 2018-07-25 Eleanor Palmer is relieved when her fiancé cries off the marry another woman but horrified when he suggests the dissolute Marquess of Grenville as a replacement Eleanor may claim descent from the lusty King Charles II but this proper English lady has no interest in the pleasures of the flesh She'd rather read the Classics Nathaniel St Clair is infamous for his wicked ways drinking gambling and fornicating but he's willing to give up all but one of his vices to initiate the lovely Miss Palmer into the joys of lust Maybe a little dirty Latin poetry will aid his cause NOTE This novella was originally published under the same title by Cobblestone Press in 2007 and again in 2009 by Kensington Books in the anthology titled Behind the Red Door

Review ,1884 *A Bit of Rough* Jackie Barbosa,2021-07-01 Lucas Delgado Guerrero s skin is too brown and his accent too foreign for him to feel truly at home in England Returning to Mexico which he scarcely remembers however is hardly a choice So he remains in London publishing an illegal newspaper devoted to reformist and revolutionary causes One of his most popular writers is the intriguing and mysterious Polly Dicastro who delivers sharp witty screeds by messenger every week At twenty five Lady Honora Pearce is too busy writing seditious treatises to pay much attention to men Especially when marrying would mean giving up the very rights she argues for in her fierce diatribes She is however intrigued by the editorials written by one of her publishers Here at least is a man with worthy ideas and ideals Not that she ever expects to meet him since both their identities must remain secret But everything changes when circumstances force her to deliver her weekly column herself and on the heels of her arrival at the printer s shop the police raid the premises To protect the shopkeeper and themselves Honora and Lucas must hide together in a small chamber They shouldn t have to kiss but somehow they do And when Honora finds she can t stay away Lucas discovers he can t refuse her even if he can never be more than her bit of rough
