Wodehouse, 2011-01-01 Need a belly laugh Dive into this collection of stories and sketches from noted British humorist P G Wodehouse The pieces gathered in this volume span the gamut of Wodehouse s writing career and cover a wide range of topics from stories about the exploits of the beloved furry friends we call pets to hilarious send ups of romantic entanglements [The Man With Two Left Feet and Other Stories](#) Sir Pelham Grenville Wodehouse, 1971-01-01 There s a divinity that shapes our ends Consider the case of Henry Pifield Rice detective I must explain Henry early to avoid disappointment If I simply said he was a detective and let it go at that I should be obtaining the reader s interest under false pretences He was really only a sort of detective a species of sleuth At Stafford s International Investigation Bureau in the Strand where he was employed they did not require him to solve mysteries which had baffled the police He had never measured a footprint in his life and what he did not know about bloodstains would have filled a library The sort of job they gave Henry was to stand outside a restaurant in the rain and note what time someone inside left it In short it is not Pifield Rice Investigator No 1 The Adventure of the Maharajah s Ruby that I submit to your notice but the unsensational doings of a quite commonplace young man variously known to his comrades at the Bureau as Fathead That blighter what s his name and Here you Henry lived in a boarding house in Guildford Street One day a new girl came to the boarding house and sat next to Henry at meals Her name was Alice Weston She was small and quiet and rather pretty They got on splendidly Their conversation at first confined to the weather and the moving pictures rapidly became more intimate Henry was surprised to find that she was on the stage in the chorus Previous chorus girls at the boarding house had been of a more pronounced type good girls but noisy and apt to wear beauty spots Alice Weston was different I m rehearsing at present she said I m going out on tour next month in The Girl From Brighton What do you do Mr Rice Henry paused for a moment before replying He knew how sensational he was going to be I m a detective Usually when he told girls his profession squeaks of amazed admiration greeted him Now he was chagrined to perceive in the brown eyes that met his distinct disapproval What s the matter he said a little anxiously for even at this early stage in their acquaintance he was conscious of a strong desire to win her approval Don t you like detectives I don t know Somehow I shouldn t have

thought you were one This restored Henry s equanimity somewhat Naturally a detective does not want to look like a detective and give the whole thing away right at the start I think you won t be offended Go on I ve always looked on it as rather a sneaky job Sneaky moaned Henry Well creeping about spying on people Henry was appalled She had defined his own trade to a nicety There might be detectives whose work was above this reproach but he was a confirmed creeper and he knew it It wasn t his fault The boss told him to creep and he crept If he declined to creep he would be sacked instanter It was hard and yet he felt the sting of her words and in his bosom the first seeds of dissatisfaction with his occupation took root You might have thought that this frankness on the girl s part would have kept Henry from falling in love with her Certainly the dignified thing would have been to change his seat at table and take his meals next to someone who appreciated the romance of detective work a little more But no he remained where he was and presently Cupid who never shoots with a surer aim than through the steam of boarding house hash sniped him where he sat He proposed to Alice Weston She refused him It s not because I m not fond of you I think you re the nicest man I ever met A good deal of assiduous attention had enabled Henry to win this place in her affections He had worked patiently and well before actually putting his fortune to the test I d marry you tomorrow if things were different But I m on the stage and I mean to stick there Most of the girls want to get off it but not me And one thing I ll never do is marry someone who isn t in the profession My sister Genevieve did and look what happened to her She married a commercial traveller and take it from me he travelled She never saw him for more than five minutes in the year except when he was selling gent s hosiery in the same town where she was doing her refined speciality and then he d just wave his hand and whiz by and start travelling again My husband has got to be close by where I can see him I m sorry Henry but I know I m right

[The Man with Two Left Feet](#) P. G. P. G. Wodehouse,2016-12-15 Students of the folklore of the United States of America are no doubt familiar with the quaint old story of Clarence MacFadden Clarence MacFadden it seems was wishful to dance but his feet wasn t gaited that way So he sought a professor and asked him his price and said he was willing to pay The professor the legend goes on looked down with alarm at his feet and marked their enormous expanse and he tacked on a five to his regular price for teaching MacFadden to dance I have often been struck by the close similarity between the case of Clarence and that of Henry Wallace Mills One difference alone presents itself It would seem to have been mere vanity and ambition that stimulated the former whereas the motive force which drove Henry Mills to defy Nature and attempt dancing was the purer one of love He did it to please his wife Had he never gone to Ye Bonnie Briar Bush Farm that popular holiday

resort and there met Minnie Hill he would doubtless have continued to spend in peaceful reading the hours not given over to work at the New York bank at which he was employed as paying cashier *The Man with Two Left Feet - The Original Classic Edition* P. G. Wodehouse,2012-06 This is a very unusual collection for Wodehouse The stories in The Man With Two Left Feet are very unlike his usual style Most take place in New York one is told from the first person perspective of a woman and one is even told from the point of view of a dog However every one has the classic humor and expectedly unexpected happy ending that Wodehouse is known for and each is a delightful read As usual Wodehouse will keeo you smiling throughout even with only a brief visit from our old friend Bertie Man with two left feet is a delightful book People have been raving about Wodehouse for a long time and if you have enjoyed watching Jeeves and Wooster this could well be your first venture beyond Jeeves This book is a compilation of fourteen short amusing and sometime poignant stories It is very easy reading BUT cleverly written A favorite in this book is actually not The Man with Two Left Feet but rather At Geisenheimers
