Hiking the West Coast of Vancouver Island Tim Leadem, 2015. The rugged west coast of Vancouver Island offers some of the most spectacular and storied hiking in the Pacific Northwest. Home to the world-famous West Coast Trail, once a lifeline for marooned sailors and still among the most breath-taking yet demanding hikes on the continent, the island's western shores also feature lesser-known coastal trails for all abilities. From the tidal pools and pocket beaches of the Juan de Fuca Marine Trail to the craggy surf-swept shores of Shushartie Bay and the North Coast Trail, the ten areas covered in this volume will give you a taste of the region's best hiking terrain. This third, fully updated and expanded edition delivers the detailed trail descriptions, insider tips, and clear two-colour maps that hikers have come to rely on, plus two entirely new sections on the wild and challenging North Coast Trail extension from Cape Scott and the remote and rarely visited Tatchu coastal hike on the Rugged Peninsula. Less experienced hikers may enjoy the Juan de Fuca Trail, a southern extension of the West Coast Trail from Port Renfrew to Jordan River, or the trails through the stunning old-growth forest of Carmanah Walbran Provincial Park. For day trippers, there's the Wild Pacific Trail, a northern extension of the West Coast Trail that begins in Ucluelet and heads north over headlands and white sand beaches toward Long Beach and Tofino. And for those who

prefer more remote hiking the northern part of the island offers the rugged Nootka Trail described by Backpacker magazine as a wild historic and beautiful trail or the boardwalk at Cape Scott where black bears share the windswept beaches with kayakers and the ghosts of shipwrecked crews From planning the trip to getting to and from the trailheads to choosing the most scenic campsites this is an indispensable guide for the thousands of hikers who use the West Coast Trail each year and for those who will want to use its alternatives *Insight Guides Explore Vancouver & BC (Travel Guide eBook)* Insight Guides,2021-11-02 Insight Guides Explore Vancouver BC Travel made easy Ask local experts Focused travel guide featuring the very best routes and itineraries Discover the best of Vancouver BC with this unique travel guide packed full of insider information and stunning images From making sure you don't miss out on must see top attractions like Vancouver Lookout Pacific Rim National Park Reserve and the Vancouver Aquarium to discovering cultural gems including exploring sprawling Stanley Park with its beaches and lakes walking across the awesome Capilano Suspension Bridge and perusing the delights of Vancouver's vibrant Chinatown the easy to follow ready made walking routes will save you time and help you plan and enhance your visit to Vancouver BC Features of this travel guide to Toronto Ontario 16 walks and tours detailed itineraries feature all the best places to visit including where to eat and drink along the way Local highlights discover the area's top attractions and unique sights and be inspired by stunning imagery Historical and cultural insights immerse yourself in Vancouver BC's rich history and culture and learn all about its people art and traditions Insider recommendations discover the best hotels restaurants and nightlife using our comprehensive listings Practical full colour maps with every major sight and listing highlighted the full colour maps make on the ground navigation easy Covers Waterfront and Downtown Chinatown and Gastown Stanley Park University of British Columbia Capilano and Grouse Mountain Sea to Sky Highway the Okanagan Revelstoke to the Rockies Victoria Downtown and around Victoria Rockland and Gonzales Cowichan Valley and Nanaimo Pacific Rim National Park Reserve Northern Vancouver Island Highway 16 and Haida Gwaii Looking for a comprehensive guide to Vancouver BC Check out Insight Guides Canada for a detailed and entertaining look at all the country has to offer About Insight Guides Insight Guides is a pioneer of full colour guide books with almost 50 years experience of publishing high quality visual travel guides with user friendly modern design We produce around 400 full colour print guide books and maps as well as phrase books picture packed eBooks and apps to meet different travellers needs Insight Guides unique combination of beautiful travel photography and focus on history and culture create a unique visual reference and planning tool to inspire your next adventure *Best Hikes Vancouver* Chloe Ernst,2021-06-01 Who says you have to travel far from home to go on a great hike Best Hikes Near Vancouver details the 41 best hikes within a close proximity of the city perfect for the urban and suburbanite hard pressed to find great outdoor activities close to home Each featured hike includes detailed hike specs a brief hike description trailhead location directional cues a detailed map and color photos The rewards of hiking near Vancouver are plentiful Howe Sound panoramas island explorations to giant Doug firs an
