Technical Manual United States. War Department,1944 , Ordnance Supply Manual George L. Lohrer,1904
Power Tubes, Military Equipment Types [manual] General Electric Company. Power Tube Department,1963 *The People's Doctors* John S. Haller,2000 Samuel Thomson born in New Hampshire in 1769 to an illiterate farming family had no formal education but he learned the elements of botanical medicine from a root doctor who he met in his youth Thomson sought to release patients from the harsh bleeding or purging regimens of regular physicians by offering inexpensive and gentle medicines from their own fields and gardens He melded his followers into a militant corps of dedicated believers using them to successfully lobby state legislatures to pass medical acts favorable to their cause John S Haller Jr points out that Thomson began his studies by ministering to his own family He started his professional career as an itinerant healer traveling a circuit among the small towns and villages of Maine New Hampshire and Massachusetts Eventually he transformed his medical practice into a successful business enterprise with agents selling several hundred thousand rights or franchises to his system His popular *New Guide to Health* 1822 went through thirteen editions including one in German and countless thousands were reprinted without permission Told here for the first time Haller s history of Thomsonism recounts the division within this American medical sect in the last century While many Thomsonians displayed a powerful vested interest in anti intellectualism a growing number found respectability through the establishment of medical colleges and a certified profession of botanical doctors *The People s Doctors* covers seventy years from 1790 when Thomson began his practice on his own family until 1860 when much of Thomson s medical domain had been captured by the more liberal Eclectics Eighteen halftones illustrate this volume *A Reference Catalogue of Current Literature Containing the Full Titles of Books Now in Print and on Sale* ,1874 *The Quest for the City : A.D. 740 to 1100 : Pursuing the Next World, They Founded this One* Ted Byfield,Christian History Project,Paul Stanway,2004 *The Christians* is the history of Christianity told chronologically epoch by epoch century by century beginning at Pentecost and concluding with Christians as we find ourselves in the twenty first century It will consist of approximately twelve volumes produced over a 10 year period at the beginning of the third Christian millennium It is written and edited by Christians for Christians of all denominations Its purpose is to tell the story of the Christian family so that we may be knowledgeable of our origins may well know and wisely profit from the experiences of our past both good and bad and may find strength and inspiration to face the challenges of our era from the magnificent examples set for us by those who went before Back cover National Guard Bureau Bulletin United States.
