Committee on Interstate and Foreign Commerce,1964 The Survival Code and Situational Awareness Tony Lee Burleson, PhD,Tony Lee Burleson,2012 When it comes to the defensive use of firearms the skill of not being shot is at least as important as the skill of shooting Moving to cover and shooting from cover should be a constant part of Handgun drilling but unfortunately most exercises don t emphasize this aspect of defense In a perfect world the first shots a beginner fires would be from behind cover Seeking cover while drawing or firing should be an instinct you are training yourself every time you handle a gun and if you stand out in the open when shooting drills you are training yourself to stand out In the open when returning fire an immobile and easy target as is very often observed in law enforcement shootings The antidote is to shoot from cover from the very outset and keep it a constant part of your training As law enforcement training shifts to this paradigm they observe that officers who come up for qualification are uneasy firing in the open they instinctively prefer to shoot from Behind cover when it is available There is very little use of cover in these drills which is why I mention it here They can however be adapted It is up to you to give yourself the kind of training you want to have The Last Man Mary Shelley,2022-10-18T20:59:56Z The Last Man chronicles the last days of humanity in the 21st century as it is slowly obliterated by a global pandemic Radical changes and events across Europe the king abdicates turning England into a Republic war erupts between Greece and Turkey weaken the fabric of society allowing an unknown and deadly disease to quickly spread across the world Political leaders are disorganized spiritual figures offer little comfort science yields no answers Previously distinguished individuals abandon their people in their time of need out of cowardice while others admirably rise up to the occasion Yet none of this matters at all when humanity comes to its end Mary Shelley wrote this book during the darkest time of her life Over the years she had lost her husband Percy Bysshe Shelley her close friend Lord
