Ohwofasa Akpeninor,2012-06-01 AKPENINOR James Ohwofasa is an accomplished multi disciplinary Author who has authored several Books and Articles across the the fields of Political science Criminology to Corporations proprietary security practice and supervision over the past three and a half decades In this stretch I have become conscious of the vital necessity for comprehensive documentation of security and safety archetypes for the study of this unique profession in which reference materials for developing core and universal curricula for training or self improvement of security operatives are hard to come by Most often law enforcement agents or persons charged with security managements Security Directors Fire Safety

Directors the police and even Contract Security firms have hardly come to terms with the Herculean professional demands of this specialized professional calling which has conspicuously assumed the centre stage of global awareness of the present day It is with these concerns that this book is designed to be a working companion to personnel and agencies in the security professional trade the Armed forces personnel together with other national security agents DSS DIA NIA NDLEA etc the Para military Police ICPC EFCC Customs Excise Immigrations departments FRSC NCDC and a host of others Emphatically modern

security outlook incorporates the Human Security schools of thought which is all about the practice of international security that is a shift from the traditional conception of national security a state centred approach to focus on the individual which is yet to be cultivated in the African continent resulting in enduring problems of disease poverty security adversities violence human rights abuses and civil strives This professional security guidebook is hence meant to offer sound basic knowledge for security practitioners contract security firms as well as for individual reading to boost security consciousness of the entire public
