What I Believe Robert L. Shepherd Jr., 2018-02-26 What I Believe is a book that gives us the basic belief requirements one must adhere to in order to be a Christian If asked today many in America will say we live in a new age of enlightenment and in a global world society A world and age whereby many souls are seeking their own paths to the eternal and abundant life and theres no longer a need for the Judeo Christian Bible as the moral road map to chart the way to heaven and glory There are many ways to God The New Agers of today proudly preach and proclaim But the Bible teaches that There is a way which seemeth right unto a man but the end thereof are the ways of death Proverbs 14 12 I believe that God has given me this book to remind Christians of what they believe and to keep them focus on the cross of Christ for without the shedding of blood there can be no remission of sin

Basic Theology Dag Heward-Mills, 2011 *The Gospel-Centered Evangelicalism of Alexander Carson* John Gill, 2025-07-31 Alexander Carson ca 1776 1844 is primarily remembered by Baptist historians as an apologist for believer's baptism Yet this is a topic that Carson himself would consider secondary What then did Carson consider to be of primary importance The gospel of Jesus Christ as conveyed in the Scriptures The thesis of this study is that Carson's belief in the Bible as a verbally and completely inspired text provided him with an infallible source for his understanding of the gospel as being centered upon the atonement effective through justification by faith alone and the motivation for evangelism Carson's theology is examined in each area through a study of his pertinent works the works written by those with whom he interacted as well as the larger theological social economic and political context surrounding those works **Westminster Guide to the Books of the Bible** William M. Ramsay, William Ramsay, 1994-01-01 This comprehensive introduction to all the books of the Bible including the Apocrypha is written in a clear easy to read style and is an ideal learning tool for laity students adult study groups and ministers The one volume format is convenient for individual study groups and this revision reflects the most up to date biblical scholarship Based on the NSRV Bible Notes index charts **The Canon of Scripture** F. F. Bruce, 2025-07-03 Winner of two 1990 Christianity Today Awards Readers Choice 1st place theology doctrine and Critics Choice 1st place theology doctrine A 1989 ECPA Gold Medallion Award winner How did the books of the Bible come to be recognized as Holy Scripture Who decided what shape the canon should take What criteria influenced these decisions After nearly nineteen centuries the canon of Scripture remains an issue of debate Protestants Catholics and Orthodox all have slightly differing collections of documents in their Bibles Martin Luther one of the early leaders of the Protestant Reformation questioned the inclusion of the book of James in the canon And many Christians today while confessing the authority of all of Scripture tend to rely on only a few books and particular themes while ignoring the rest Scholars have raised many other questions as well Research into second century Gnostic texts have led some to argue that politics played a significant role in the formation of the Christian canon Assessing the influence of ancient communities and a variety of disputes on the final shaping of the canon call for ongoing study In this significant historical study F F Bruce brings the wisdom of a lifetime of reflection and biblical interpretation to bear on questions and confusion surrounding the Christian canon of Scripture Adept in both Old and New Testament studies he brings a rare comprehensive perspective to the task Though some issues have

Biographical Dictionary of Eminent Scotsmen Robert Chambers,1869

The Dna of Scripture Karl L.

Dahlstrom,2015-05-27 By utilizing a relatively unknown natural law of science we are able to reveal the hidden pattern and divine structure of the Holy Scripture which by definition proves its authenticity This book is a unique defense of the Bible and thus by extension that of Christianity by providing a proof of the veracity of the Word of God in a scientific manner outside the Bible itself which previously has not been accomplished The author will demonstrate that the same true natural law of science the Law of First Digits as described in chapters 2 and 3 when applied to the Holy Scriptures of the Bible proves the presence of Gods unfathomable intelligence in creating and preserving the truthfulness of His Word Moreover this proof extends to the identification of God as the only true God of the universeto the exclusion of all others That is a very powerful and controversial statement but one that can be backed up If one proves the entirety of the Scripture as true then it follows that the God referred to in those same Scriptures is and must be the one true God of the universe
