Business Guide Volume 1 Strategic and Practical Information IBP, Inc.,2015-09-11 Botswana Investment and Business Guide Volume 1 Strategic and Practical Information *The Truth about Crime* Jean Comaroff,John L. Comaroff,2016-12-05

This new book by the well known anthropologists Jean and John L Comaroff explores the global preoccupation with criminality in the early twenty first century a preoccupation strikingly disproportionate in most places and for most people to the risks posed by lawlessness to the conduct of everyday life Ours in an epoch in which law making law breaking and law enforcement are ever more critical registers in which societies construct contest and confront truths about themselves an epoch in which criminology broadly defined has displaced sociology as the privileged means by which the social world knows itself They also argue that as the result of a tectonic shift in the triangulation of capital the state and governance the meanings attached to crime and with it the nature of policing have undergone significant change also that there has been a palpable muddying of the lines between legality and illegality between corruption and conventional business even between crime and policing which exist nowadays in ever greater hyphenated complicity Thinking through Crime and Policing is therefore an excursion into the contemporary Order of Things or rather into the metaphysic of disorder that saturates the late modern world indeed has become its leitmotif It is also a meditation on sovereignty and citizenship on civility class and race on the law and its transgression on the political economy of representation **African Language Media** Abiodun
