

Writing Game Study Guide

Answer the following questions in COMPLETE SENTENCES.

1. What is the mystery genre?

The mystery genre is meant to intrigue, confuse, and engage the reader. It creates suspense and helps the reader unravel the plot.

2. What is Barney Hordberg?

Barney Hordberg is the realtor who sold all of the lots in Sunset Towers to its apartments. He was also Sunset VC Wreathing which we find out at the end of the novel.

3. What was Sunset Towers?

Sunset Towers faced East and wasn't actually a tower. It was more of a small apartment building. The fact that it was named Sunset Towers and faced East was odd.

4. What is the purpose of listing all of the names of the tenants in Sunset Towers?

The author wanted to introduce each character with a brief description so as to not give away too much information about who really killed Sam Wreathing.

5. Why were all of the names placed before Mrs. Seemabach was listed as Theda's partner?

None of the tenants in Sunset Towers wanted to be partners with Theda because of her behavior. The ladies gossip if they speak her bad and can be a bit of a bitch as they were just happy to own a home.

6. Why would Sandy McSwathorn want Sam Wreathing dead? **"This will confuse some students to**

because Sam Wreathing was disguised as Sandy McSwathorn at the end of the story. They tend to think about Sandy McSwathorn as the character.

Sandy McSwathorn was the chairman of Sunset Towers. He was fired by Sam Wreathing because he tried to organize a union at the Wreathing Paper Products Corporation.

7. What does the "bird who was the smallest will be the one who beat the fourth" mean?

This quote is from Sam Wreathing's will. It means that whoever figures out the 4th identity of Sam Wreathing will be the winner of the game. (Sandy McSWATHORN, Barney HORDBERG, Nelson R. SWEETMAN, and Sam WREATHING.)

8. Why are Theda's clothes important throughout the novel?
