Tcu Guide 2013 Up To 2014:

OECD Public Governance Reviews Brazil's Federal Court of Accounts Insight and Foresight for Better Governance OECD,2017-08-07 This report suggests concrete steps Brazil's Federal Court of Accounts can take to adapt its own strategies approaches and audit programming to provide valuable insight and foresight to policy makers in the centre of government

Guardians of the Brazilian Amazon Rainforest: Environmental Organizations and Development Luiz C. Barbosa,2015-05-08 The Amazon region is the focus of intense conflict between conservationists concerned with deforestation and advocates of agro industrial development This book focuses on the contributions of environmental organizations to the preservation of Brazilian Amazonia It reveals how environmental organizations such as Greenpeace Friends of the Earth WWF and others have fought fiercely to stop deforestation in the region It documents how the history of frontier expansion and environmental struggle in the region is linked to Brazil's position in an evolving capitalist world economy It is shown how Brazil's effort to become a developed country has led successive Brazilian governments to devise development projects for Amazonia The author analyses how globalization has led to the expansion of international commodity chains in the region particularly for mineral ores soybeans and beef He shows how environmental organizations have politicized these commodity chains as weapons of conservation through boycotting certain products while other pro development groups within Brazil claim that such organizations threaten Brazil's sovereignty over its own resources

Weapons of Math Destruction Cathy O'Neil,2016 A former Wall Street quantitative analyst sounds an alarm on mathematical modeling a pervasive new force in society that threatens to undermine democracy and widen inequality NoveList

The Internationalization of Government Procurement Regulation Aris Georgopoulos,Bernard Hoekman,Petros C. Mavroidis,2017-02-16 As governments are major buyers of goods and services foreign companies are keen to be able to participate in procurement opportunities on an equal footing with national firms This has given rise to the inclusion of procurement disciplines in trade agreements and to internationally agreed good regulatory practices in this important policy area The contributions to this book examine how the dynamic mix of bilateral regional plurilateral and international norms on government procurement is reflected in purchasing practices at the national level and whether these are leading to convergence in policies and approaches The countries studied span both advanced high income economies and emerging economies Some are members of the WTO procurement agreement others are not Most WTO members have decided not to commit to binding international disciplines on procurement in trade agreements This book explores whether there has been nonetheless internationalization of good procurement practices and what current public purchasing processes suggest as regards the value added of signing on to binding rules of the game in this area The approach taken in the volume is interdisciplinary Contributors include economists political scientists legal scholars and practitioners with a solid understanding of both the extant international disciplines and national government procurement policies Each chapter

assesses the current state of play as regards legislation and procurement practices the degree to which industrial policy considerations feature in the relevant regulatory frameworks the existence and use of domestic dispute resolution and review procedures that allow firms to contest the behavior of procuring entities and the availability of data on procurement processes and outcomes **OECD Environmental Performance Reviews: Brazil 2015** OECD,2015-11-04 This report is

the first OECD review of Brazil s environmental performance It evaluates progress towards sustainable development and green growth with a focus on conservation and sustainable use of biodiversity and protected areas OECD Public Governance Reviews Supreme Audit Institutions and Good Governance Oversight, Insight and Foresight OECD,2016-09-29

This report maps the activities of ten leading Supreme Audit Institutions SAIs in Brazil Canada Chile France Korea the Netherlands Poland Portugal South Africa and the United States **The Entrepreneurship Movement and the**

University C. Sá,A. Kretz,2015-03-20 Entrepreneurship is widely embraced today in political discourse popular culture and economic policy prescriptions Several groups actively promote entrepreneurial thinking and practices in higher education This book examines how this Entrepreneurship Movement impacts higher education in Canada and the United States

Harmony and Normalization Timothy P. Storhoff, 2020-10-21 Harmony and Normalization US Cuban Musical Diplomacy explores the channels of musical exchange between Cuba and the United States during the eight year presidency of Barack Obama who eased the musical embargo of the island and restored relations with Cuba Musical exchanges during this period act as a lens through which to view not only US Cuban musical relations but also the larger political economic and cultural implications of musical dialogue between these two nations Policy shifts in the wake of Ra l Castro assuming the Cuban presidency and the election of President Obama allowed performers to traverse the Florida Straits more easily than in the recent past and encouraged them to act as musical ambassadors Their performances served as a testing ground for political change that anticipated normalized relations While government actors debated these changes music forged connections between individuals on both sides of the Florida Straits In this first book on the subject since Obama's presidency musicologist Timothy P Storhoff describes how after specific policy changes musicians were some of the first to take advantage of new opportunities for travel push the boundaries of new regulations and expose both the possibilities and limitations of licensing musical exchange Through the analysis of both official and unofficial musical diplomacy efforts including the Havana Jazz Festival the National Symphony Orchestra of Cuba's first US tour the Minnesota Orchestra's trip to Havana and the author's own experiences in Cuba this ethnography demonstrates how performances reflect aspirations for stronger transnational ties and a common desire to restore the once thriving US Cuban musical relationship *Civil Rights in Black and Brown* Max Krochmal, Todd Moye, 2021-11-09 Not one but two civil rights movements flourished in mid twentieth century Texas and they did so in intimate conversation with one another Far from the gaze of the national media African American and Mexican American activists combated the twin caste systems of Jim Crow and Juan Crow These insurgents worked chiefly within their own racial groups yet they also looked to each other for guidance and at times came together in solidarity The movements sought more than integration and access they demanded power and justice Civil Rights in Black and Brown draws on more than 500 oral history interviews newly collected across Texas from the Panhandle to the Piney Woods and everywhere in between The testimonies speak in detail to the structure of racism in small towns and huge metropolises both the everyday grind of segregation and the haunting acts of racial violence that upheld Texas's state

sanctioned systems of white supremacy Through their memories of resistance and revolution the activists reveal previously undocumented struggles for equity as well as the links Black and Chicax organizers forged in their efforts to achieve self determination
