Recharge Your Batteries: Classroom Management Laura A. Riffel, Ph.D., Jessica R. Eggleston, Doctoral Candidate, 2016-03-08 This book is designed to help teachers develop three strands of reinforcement in classroom management Support Interventions and Reinforcement will be addressed in ways that help classroom teachers braid behavioral techniques into their strategies The book will focus on environmental changes replacement behavior teaching and impacting our reactions as educators so that we feed the replacement behavior and extinguish the target behavior **Free or Low-cost Reinforcers for Appropriate Behavior** Laura A. Riffel, Ph.D., Jessica R. Eggleston, Ed.D., 2019-10-21 This book focuses on reinforcers non tangible you can use with students within the classroom setting or a whole school setting They can be used at the universal targeted or tertiary levels *Ok, Ok! But!! You Asked for It!* David Roy Patterson, 2011-03 Adventure mystery imagination immaturity and sometimes just plain ignorance that s what you ll find in this compilation of sixty two short memoirs The stories will take you from the innocent childhood of the author in the 1940s and 50s through the turbulence of school marriage and child rearing in the 60s through the 90s and eventual spiritual maturity of the author in these current days Each memoir though short in words is long in substance usually funny and a life lesson Ten of the stories are in fact near death experiences and examples of how the author lived his life without recognizing the signs that his Lord placed before him Each story stands alone without reference to the others However in whole the stories relate to a complete life change in the author from childhood to adulthood Many people do not pass beyond their first encounter with death some do but are left with scars and memories of their near miss Some people call it luck some call it coincidence and some a guardian angel s protection The author believes that the Lord placed signs before him and still does for everyone These signs are placed so that all will open their hearts and minds to the wondrous power of our Lord Jesus Christ The author is in no way proud of most of his memoirs as most of them occurred due to naivety an over active imagination or stupidity But he is thankful that Jesus has been patient with him through the journey Jesus can save all of us through our journey but it is up to us to accept Him and save our soul David R Patterson born raised and a life time resident of Fort Wayne Indiana has been

employed at Murray Equipment Inc since 1968 Dave is a self taught Systems Engineer and Inventor who owes every thing to his Creator who has been very patient with Dave throughout the years All his thoughts and ideas have come from the Lord who allowed him to grow up at a time when he could use his imagination which became his foundation for a tiny spot that he could create and fulfill a need The Lord also introduced Dave to Steve Murray who later became the owner and risk taker of Murray Equipment which Steve built into what it is today a leader in its field of expertise Steve showed confidence in Dave and Dave took it as a challenge to fill this void Cynthia L Patterson Dave s beautiful wife of over forty five years is truly a wife that Dave will tell you he is not worthy of and a mother who has no equal Cindi and Dave have four wonderful children all of whom are Christians and are very successful Craig and his wife Rhonda have two wonderful children a girl Paige and a boy Caleb Randy and his wife Dawn have twin boys Jacob and Foster Shawn and his wife Kimberly have three children a boy Cole a girl Madalyn and a boy Cade Brooke is Dave and Cindi s daughter of the family and is everything they could ever ask for but currently lives in Chicago Dave has no experience at writing but he has always wanted to tell of his life time adventures be it good but mostly bad He also wants you to know it s not where you were spiritually but where you are now Romans 12 6 We have different gifts according to the grace given us If a man s gift is prophesying let him use it in proportion to his faith
