

# THE BOY IN THE STRIPED PYJAMAS

## CHAPTER SIX (FULL LESSON)

**Reading focus:**  
**The portrayal of the Nazis**

When we look back at the history of the Holocaust, it is commonly accepted that the Nazis were just evil people. By labelling them like this it makes them seem monstrous and inhuman – and distances them from the rest of us.

It is easier to imagine the Nazis as “normal people” with emotions, fears and dreams because if “normal people” can commit something as awful as the Holocaust, then does that mean we all have the capacity for evil inside us? Does this mean that events like the Holocaust will continue to happen?

In this chapter, we see a different side to Father – a kind and good side. Think about why John Boyne has included this. What effect does it have on the reader?

You are going to have a discussion. You will be allocated the role of a character from the book.

Discussing this prompt:  
*“A person's life is determined by their background.”*

About your character and this statement and how it applies in the discussion. You will be given 2 minutes for your discussion.

**Discussion**

These are the skills that you need to focus on in this activity:

Grade	Description
