Gayden, 2014-03-07 This book chronicles the timeless service of Phi Mu Omega chapter of Alpha Kappa Alpha from its humble beginnings as Ivy Omega Interest Group in 1998 to its chartering on January 15 2000 to its present status as a thriving chapter living out the sorority's motto to be Supreme in Service to All Mankind This history book was a time intensive and labor intensive assignment for women who are already busy career minded and community service oriented but it truly became a labor of love which International President Carolyn House Stewart requested of each chapter of the sorority Without her directive this book in all certainty would never have been written The project has indelibly etched valuable lessons in the minds of the historian and chapter members the need for archiving and documenting the chapter's programs activities events and projects The assignment also refocused attention on previous and current international initiatives issued by each international president According to historian Earnestine Green McNealey Ph D author of the sorority's definitive

history book The Pearls of Alpha Kappa Alpha A History of America's First Black Sorority until the lion tells its own story the story will always glorify the hunter This project forced chapters across the United States and in other countries to tell our own stories from their perspectives and in the context of historical events and social issues facing the communities we serve Hopefully it also reinforced the raison d'être for every member every chapter every region and the international sisterhood The beginning and evolving history of Phi Mu Omega is captured for generations of young women yet to come so that it might inspire and motivate them to become women with a desire to serve all mankind **Teaching Children to Read** Douglas Ray Reutzel, Robert B. Cooter, 2004 For Elementary Reading Methods courses This comprehensive and balanced look at literacy practice has long been one of the most popular reading methods texts available The text begins by introducing seven principles for comprehensive reading instruction and then explains the theoretical foundations of teaching reading Part I builds on those foundations with specific methods in Part II and then in Part III it describes how to create a variety of learning centers and how to plan developmentally appropriate reading curriculum for students in both K-3 and 4-8 classrooms chapters 12 and 13 provide a continuum of knowledge by describing classroom organization and curriculum for grades 4-6 and 6-8 Statement, 2005
