Team Coordination Training Student Guide 8 98:

Living an Armed Life Lynne Finch, 2016-10-04 Statistics from the United States Department of Justice regularly report that more than half of all violent crime is perpetrated against unarmed women. Whether you are part of this demographic or you have a loved one who is, do you have a plan for when danger strikes? Do you know how to defend yourself against attack or assault? In Living an Armed Life, NRA instructor and author Lynne Finch lists and explains expert tactics to help prepare women to protect themselves throughout their lives. Finch deftly covers dozens of topics pertaining to defending yourself as a woman, with chapters on Choosing when and where to carry, How to carry both on and off the body, Discerning when and when not to shoot, Arming yourself as you age, The effects of fear and adrenaline on your mental state. Finch's text is an essential read for every woman, from the young college student to the elderly grandmother who is looking to learn how to best defend herself. You unfortunately will never know when danger is about to strike, but after reading Living an Armed Life, at least you'll be prepared when it does. A Republic of Scoundrels David Head, Timothy C. Hemmis, 2023-12-05 The Founding Fathers are often revered as American saints; here are the stories of those Founders who were schemers and scoundrels, vying for their own interests ahead of the nation's. We now have a clear-eyed understanding of Founding Fathers such as George Washington, Benjamin Franklin, Thomas Jefferson, and Alexander Hamilton, even so they are often considered

American saints revered for their wisdom and self sacrificing service to the nation However within the Founding Generation lurked many unscrupulous figures men who violated the era s expectation of public virtue and advanced their own interests at the expense of others They were turncoats and traitors opportunists and con artists spies and foreign intriguers Some of their names are well known Benedict Arnold and Aaron Burr Others are less notorious now but were no less threatening There was Charles Lee the Continental Army general who offered to tell the British how to defeat the Americans and James Wilkinson who served fifteen years as a commanding general in the US Army despite rumors that he spied for Spain and conspired with traitors The early years of the republic were full of self interested individuals sometimes succeeding in their plots sometimes failing but always shaping the young nation A Republic of Scoundrels seeks to re examine the Founding Generation and replace the hagiography of the Founding Fathers with something more realistic a picture that embraces the many facets of our nation s origins
