**ATI TEAS 6 Study Guide** Spire Study System, ATI Teas Test Study Guide Team, 2019-05-09. In the last half century, researchers and psychologists have upended a lot of conventional wisdom about the way we learn and how we can get the most out of studying. Their discoveries have suggested a number of ways that students can study smarter, not harder. Unfortunately, most of these new methods have not made their way into our public school systems, leaving millions of students with devastatingly ineffective study habits. The Spire Study System aims to change that. Using cutting-edge science and advanced information design, we have created a study system rather than a study guide. Just follow the simple directions in this book and rest easy in the knowledge that you will pass your test. We're so confident that Spire will work for you, we guarantee that you'll pass your test or we'll give you your money back. No more cramming. No more wasted studying time. No more guessing at answers and hoping for good luck.
