The Undying Fire H. G. Wells, 2020-07-24 The Undying Fire a 1919 novel by H G Wells is a modern retelling of the story of Job Like the Book of Job it consists of a prologue in heaven an exchange of speeches with four visitors a dialogue between the protagonist and God and an epilogue in which the protagonist s fortunes are restored Wells believed that The Undying Fire contained some of his best writing While some friends agreed reviewers and critics have been less generous One of Wells s biographers grouched that the novel is a parade of ideas leading to a predetermined conclusion that the one true god is the yearning for the ideal in the human heart which
