Steven McCann, 2023-12-13 The world of the theater has had a magical allure for me ever since that afternoon as an eighteen
year old wandering around mid town with several hours of my hands before my bus s departure I purchased a matinee ticket
to see Man of La Mancha Although I ve spent almost all of my life as a writer creating novels and short fiction I have always
loved seeing live theater and reading the works of O'Neill Miller Williams Lorraine Hansberry Chekhov Shaw and
Shakespeare among others Great theater brings together great writing and all the brilliant effects of the live stage actors
whose voices gestures laughter shouts and whispers are as close and tangible as those of the people you live with the genius
of costume design lighting and stage sets that carry you to a completely different realm using no more space than the area of
your living room The three of mine in this volume a comedy and two others mixing comedy with elements of tragedy make up
my second book of plays Together with the first they are my contribution to that magical world I love no less than I love the
