Vietnam - Guide Routard, 2004 **Critical design in Japan** Ory Barta, 2020-04-17 This book tells the story of critical avant garde design in Japan which emerged during the 1960s and continues to inspire designers today The practice communicates a form of visual and material protest drawing on the ideologies and critical theories of the 1960s and 1970s notably feminism body politics the politics of identity and ecological anti consumerist and anti institutional critiques as well as the concept of otherness It also presents an encounter between two seemingly contradictory concepts luxury and the avant garde The book challenges the definition of design as the production of unnecessary decorative and conceptual objects and the characterisation of Japanese design in particular as beautiful sublime or a product of Japanese culture In doing so it reveals the ways in which material and visual culture serve to voice protest and formulate a social critique New York - Guide Routard, 2004 *The Human Mosaic* Terry G. Jordan-Bychkov, 2005-08-19 Carrying forward the legacy of original author Terry Jordan Bychkov Mona Domosh and new coauthors Roderick Neumann and Patricia Price offer this thoroughly updated new edition of the acclaimed introduction to the cultural geography of the world today The result is a text that maintains its original distinctive style while addressing contemporary issues and situations that students care about most importantly the continuing phenomenon of globalization The Thematic Approach of The Human Mosaic The Human Mosaic introduces five themes in the opening chapter culture region cultural diffusion cultural ecology cultural interaction and cultural landscape then uses those themes as a framework for the topical chapters that follow Each theme is applied to a variety of geographical topics demography agriculture the city religion language ethnicity politics industry folk and popular

culture Through this organization students are able to relate to the most important aspects of cultural geography at every point in the text

Cine-Mobility Han Sang Kim, 2023-12-04 In 1916 a group of Korean farmers and their children gathered to watch a film depicting the enthronement of the Japanese emperor For this screening a unit of the colonial government's news agency brought a projector and generator by train to their remote rural town Before the formation of commercial moviegoing culture for colonial audiences in rural Korean towns many films were sent to such towns and villages as propaganda The colonial authorities as well as later South Korean postcolonial state authorities saw film as the most effective medium for disseminating their political messages In *Cine Mobility* Han Sang Kim argues that the force of propaganda films in Korea was derived primarily not from their messages but from the new mobility of the viewing position From the first film shot in Korea in 1901 through early internet screen cultures in late 1990s South Korea *Cine Mobility* explores the association between cinematic media and transportation mobility not only in diverse and discrete forms such as railroads motorways automobiles automation and digital technologies but also in connection with the newly established rules and restrictions and the new culture of mobility including changes in gender dynamics that accompanied it *Il Pianeta Del Futuro* Fred Pearce, [Can Japan Globalize?](#) Arne Holzhausen, 2013-06-29 Japan's deepest recession since the Second World War has come to an end in 2000 Yet the task of reforming Japan is far from completed The current political drift has brought deregulation to a premature end putting the still vulnerable recovery at risk What structural changes have already taken place What important reforms have to be undertaken in the future The contributions of the book shed light on the transitional path of the Japanese system amid rapid globalization *Can Japan Globalize* covers a broad range of areas from macro and micro economic structures to political and social relations

AI and Diversity in a Datafied World of Work Joana Vassilopoulou, Olivia Kyriakidou, 2025-04-24 Artificial intelligence AI is rapidly transforming the world of work but how does it impact diversity equity and inclusion DEI *AI and Diversity in a Datafied World of Work* addresses the critical question of whether AI will create more inclusive workplaces or exacerbate existing inequalities

Green Gone Wrong Heather Rogers, 2013-01-16 Faced with climate change many counsel going green encouraging us to buy organic food or a clean car for example But can we rely on consumerism to provide a solution to the very problems it has helped cause Heather Rogers travels from Paraguay to Indonesia via the Hudson Valley Detroit and Germany's Black Forest to investigate green capitalism and argues for solutions that are not mere palliatives or distractions but ways of engaging with how we live and the kind of world we want to live in A new afterword considers various ways in which national development might be freed from its dependence on economic growth allowing for a decent standard of living without exhausting the planet's resources

[Global Capital and Peripheral Labour](#) Ravi Raman, 2010-01-21 Presents a historical account of plantations in India in the context of the modern world economy This book shows how history can assist in explaining contemporary conditions and trends It focuses on labour and economic development problems and interprets the dynamics of plantation capitalism
