## **The Military Dimension Mark II:**

*The Military Dimension: Mark II* David Drake, 1995-02-01 WELCOME TO THE WAR ZONE When they say that war changes a man they're being euphemistic War makes a man insane by civilian standards When the man comes back he may return to civilian norms again After a while I'm not proud of many of the things that happened in Nam I'm not proud of some of the things I did myself But the men I served with were for the most part doing the best job they could with the cards they'd been dealt I'm proud of them and I'm proud to have been among them Anybody's got a right to criticize the things that happened But don't criticize the men who did them unless you've been in their shoes Ever since I came back the object of my military fiction has been to put somebody as normal as you or as I was into a war zone And I hope to God neither you nor your son ever has an opportunity to compare my fiction with the real thing A shorter edition of this book was published under the title *The Military Dimension* At the publisher's request this title is sold without DRM Digital Rights Management

**Night & Demons** David Drake, 2012-10-02 Here are weird stories set in the present along with alternative histories filled with gritty realism and exacting detail as well as an assortment of horrors and monsters Most of all here are the tough heroes who throughout time master their own fears and face the very real terrors that haunt existence Sometimes these heroes win a partial victory Sometimes it's enough to go down fighting Before Drake was a best selling author of military science fiction he was a prolific writer of horror and fantasy short fiction \_Denkirch Drake's first sale is here and well as many stories set in the worlds of his fantasy novels *Ranks of Bronze* *Lord of the Isles* and others More than just a collection of stories *Night Demons* features extensive story notes that chronicle the development of one of science fiction's most popular writers and provide detailed snapshots of the larger than life editors publishers and writers with whom Drake has worked throughout his career At the publisher's request this title is sold without DRM Digital Rights Management About David Drake \_The way Drake takes a tried formula and turns it on its ear is what makes him one of the modern masters of SF \_Otherwhere Gazette \_P rose as cold and hard as the metal alloy of a tank rivals Crane and Remarque \_Chicago Sun Times \_Drake couldn't write a bad action scene at gunpoint \_Booklist About David Drake's RCN series \_Rousing old fashioned space opera Publishers Weekly on the \_RCN series \_The fun is in the telling and Mr Drake has a strong voice I want more \_Philadelphia Weekly Press \_Space opera is alive and well This series is getting better as the author goes along character development combined with first rate action and memorable world designs \_SFReader.com *Minding the Law* Anthony G. AMSTERDAM, Jerome S. Bruner, Anthony G Amsterdam, 2009-06-30 In this remarkable collaboration one of the nation's leading civil rights lawyers joins forces with one of the world's foremost cultural psychologists to put American constitutional law into an American cultural context By close readings of key Supreme Court opinions they show how storytelling tactics and deeply rooted mythic structures shape the Court's decisions about race family law and the death penalty *Minding the Law* explores crucial psychological processes involved in the work of lawyers and judges deciding whether particular cases fit within a legal rule

categorizing telling stories to justify one's claims or undercut those of an adversary narrative and tailoring one's language to be persuasive without appearing partisan rhetorics Because these processes are not unique to the law courts decisions cannot rest solely upon legal logic but must also depend vitally upon the underlying culture's storehouse of familiar tales of heroes and villains But a culture's stock of stories is not changeless Amsterdam and Bruner argue that culture itself is a dialectic constantly in progress a conflict between the established canon and newly imagined possible worlds They illustrate the swings of this dialectic by a masterly analysis of the Supreme Court's race discrimination decisions during the past century A passionate plea for heightened consciousness about the way law is practiced and made *Minding the Law* tilte will be welcomed by a new generation concerned with renewing law's commitment to a humane justice

Table of Contents 1

Notes Table of Cases Index Reviews of this book

Amsterdam a distinguished Supreme Court litigator wanted to do more than share the fruits of his practical experience He also wanted to get students to think about thinking like a lawyer To decode what he calls law think he enlisted the aid of the venerable cognitive psychologist Jerome Bruner and the collaboration has resulted in this unusual book James Ryerson *Lingua Franca* Reviews of this book It is hard to imagine a better time for the publication of *Minding the Law* a brilliant dissection of the court's work by two eminent scholars law professor Anthony G Amsterdam and cultural anthropologist Jerome Bruner Issue by issue case by case Amsterdam and Bruner make mincemeat of the court's handling of the most important constitutional issue of the modern era how to eradicate the American legacy of race discrimination especially against blacks Edward Lazarus *Los Angeles Times Book Review* Reviews of this book This book is a gem Its thesis is easily stated but remarkably unrecognized among a shockingly large number of lawyers and law professors law is a storytelling enterprise thoroughly entrenched in culture Whereas critical legal theorists have talked among themselves for the past two decades Amsterdam and Bruner seek to engage all of us in a dialogue For that they should be applauded Daniel R Williams *New York Law Journal* Reviews of this book In *Minding the Law* Anthony Amsterdam and Jerome Bruner show us how the Supreme Court creates the magic of inevitability They are angry at what they see Their book is premised on the conviction that many of the choices made in Supreme Court opinions lack any justification in the text Their method is to analyze the text of opinions and to show how the conclusions reached do not always follow from the logic of the argument They also show how the Court casts its rhetoric like a spell mesmerizing its audience and making the highly contingent shine with the light of inevitability Mitchell Goodman *News and Observer* Raleigh North Carolina Reviews of this book What do controversial Supreme Court decisions and classic age old tales of adultery villainy and combat have in

common Everything at least in the eyes of Amsterdam and Bruner In this substantial study which is equal parts dense and entertaining the authors use theoretical discussions of literary technique and myths to expose what they see as the secret intentions of Supreme Court opinions Studying how lawyers and judges employ the various literary devices at their disposal and noting the similarities between legal thinking and classic tactics of storytelling and persuasion they believe can have astonishing consciousness retrieving effects The agile minds of Amsterdam and Bruner clearly storehouses of knowledge on a range of subjects allow an approach that might sound far fetched occasionally but pays dividends in the form of gained perspective and amusement Elisabeth Lasch Quinn Washington Times Reviews of this book Stories and the way judges intentionally or not categorize and spin them are as responsible for legal rulings as logic and precedent Mr Amsterdam and Mr Bruner said Their novel attempt to reach into the psyche of members of the Supreme Court is part of a growing interest in a long neglected and cryptic subject the psychology of judicial decision making Patricia Cohen New York Times Most law professors teach by the case method or say they do In this fascinating book Anthony Amsterdam a lawyer and Jerome Bruner a psychologist expose how limited most case analysis really is as they show how much can be learned through the close reading of the phrases sentences and paragraphs that constitute an opinion or other pieces of legal writing Reading this book will undoubtedly make one a better lawyer and teacher of lawyers But the book s value and interest goes far beyond the legal profession as it analyzes the way that rhetoric in law politics and beyond creates pictures and convictions in the minds of readers and listeners Sanford Levinson author of Constitutional Faith Tony Amsterdam the leader in the legal campaign against the death penalty and Jerome Bruner who has struggled for equal justice in education for forty years have written a guide to demystifying legal reasoning With clarity wit and immense learning they reveal the semantic tricks lawyers and judges sometimes use consciously and unconsciously to justify the results they want to reach Jack Greenberg Professor of Law Columbia Law School *Fortune's Stroke* Eric Flint,David Drake,2000-06-01 EVIL FROM BEYOND TIME RULES THE GREATEST EMPIRE ON EARTH Link the supercomputer from a future that should not exist has used terror and gunpowder weapons to forge the Malwa Empire harnessing the vast manpower of the Indian subcontinent and using the barbarian races of the periphery to bind the whole together No power on Earth in the 6th century could stand against Link s evil Aide a human soul embodied in a jewel has come back to halt evil s progress Aide has no power but that of truth but truth is the only power that could move the greatest general of the age Belisarius With his sword his paladins and his genius Belisarius has turned the armies of Byzantium into a weapon capable of blunting the first assault of the Malwa hordes Now supported by allies from all the world yet free Belisarius with his wife and co commander Antonia faces overwhelming Malwa numbers in a ring that tightens about them There is no room for maneuver and no safety in defeat The armies of Good and Evil gathered on the fertile plains of Mesopotamia will decide the fate of the world And the fate of all the future At the publisher s request this title is sold without DRM Digital Rights Management **Lt. Leary Commanding** David Drake,2000-07-01 Into

Harm's Way Lieutenant Daniel Leary of the Republic of Cinnabar Navy commands the corvette Princess Cecile his friend Signals Officer Adele Mundy has the latest in spy apparatus and the skill to prowl the most tightly guarded database All they lack are enemies and fate is about to supply that need in abundance A hostage uses the Princess Cecile to regain his freedom and his throne An ally intrigues with enemies of Cinnabar knowing the plot can only be safeguarded by destroying the Princess Cecile A pirate chief joins in a cutthroat battle with a rival and the Princess Cecile is a pawn Daniel Adele and their crack crew must battle bureaucrats and traitors the winds of a barren desert and the strains of a voyage never before attempted If they succeed at every stage their reward will be the chance to fight another enemy one which can blow them and a hundred ships like theirs to vapor DEATH IS ALWAYS AN OPTION BUT DEFEAT CAN NEVER BE Action color and heroics merge with the gritty realities of war and politics in a story that never slows down Indeed how could it slow down with LT LEARY COMMANDING At the publisher's request this title is sold without DRM Digital Rights Management     **The Dragon Lord** David Drake,1998-09-01 MADE ME WANT TO CHEER Harlan Ellison Arthur warlord of Britain has forged a mercenary army more savage and terrible than the Saxon barbarians who have invaded his island Victory isn't enough now Arthur wants to annihilate the Saxons by becoming The Dragon Lord Mael and Starkad an Irish adventurer and his giant Danish companion are peerless warriors in a warrior age men who have fought all across Europe for survival and pay and always for each other Now they must seek an ancient skull from which Merlin's wizardry can raise a dragon and also the weapons by which alone the dragon can be controlled Accompanied by a priestess older than time their search takes them from a monster haunted lake to the barrow of a thing no longer dead and to a battlefield where the enmity of Briton and Saxon rises to a cataclysm which drowns the earth in blood Yet one task remains The fiery breath of the dragon Mael and Starkad have helped create can sweep the land clear of all life if it ever escapes from Merlin's control And the dragon is about to escape At the publisher's request this title is sold without DRM Digital Rights Management     **Birds of Prey** David Drake,2018-09-04 ALIEN FEROCITY vs ROMAN COURAGE AS THE EMPIRE DIES Rome 262 A D It has been the capital of the greatest civilization on Earth Now both city and civilization are dying Germans flood across the borders from Britain to the Bosphorus leaving a trail of rape carnage and ashes In the cities mobs riot in the countryside cults seek salvation in dark rituals Imperial unity has shattered into a mosaic of separatists and usurpers squabbling among themselves as greater enemies gather to swallow them all One man stands between humanity and the Long Night matching savage determination against a hopeless future He is Aulus Prentiss an Imperial secret agent as tough and ruthless as the age in which he lives Until now though his enemies have all been human David Drake is one of the most gifted users of historical and military raw materials at work today Chicago Sun Times At the publisher's request this title is sold without DRM Digital Rights Management     The Reformer S. M. Stirling,David Drake,2000 ON THIS PLANET HUMANS HAD FORGOTTEN THEIR HERITAGE UNTIL IT CAME LOOKING FOR THEM After the collapse of the galactic Web civilizations crumbled and chaos

reigned on thousands of planets Only on planet Bellevue was there a difference There a Fleet Battle Computer named Center had survived from the old civilization When it found Raj Whitehall the man who could execute its plan for reviving human civilization he and Center started Bellevue back on the road leading to the stars and when Bellevue reached that goal Center sent copies of itself and Raj to the thousands of worlds still waiting for the light of civilization to dawn On Hafardine civilization had fallen further than most That men came from the stars was not even a rumor of memory in Adrian Gellert s day The Empire of Vanbret spread across the lands in a sterile splendor that could only end in another collapse more ignominious and complete than the first Adrian Gellert was a philosopher a student whose greatest desire was a life of contemplation in the service of wisdom until he touched the holy relic that contained the disincarnate minds of Raj Whitehall and Center On that day Adrian s search for wisdom would lead him to a life of action from the law courts of Vanbret to the pirate cities of the Archipelago and battlefields bloodier than any in the history he d learned The prize was the future of humanity

**Destiny's Shield** Eric Flint,David Drake,2000 The Malwa Empire squats like a toad across 6th century India commanded by ruthless men with depraved appetites The thing from the distant future that commands them is far worse Count Belisarius the greatest general of the age must outwit the evil empire
