Father Miller's Daughter Donald Edward Casebolt, 2022-09-16 The crisis in Adventist eschatology is due to its reliance on Millerism's faulty methodology and falsified prophetic predictions Ellen White taught that Father Miller's sole authority was Scripture and a concordance that his interpretations were literal commonsense and most importantly that God had originated his date setting conclusions by repeated angelic guidance She announced that Miller was typological of John the Baptist that Miller was a forerunner to Christ's Second Advent as the Baptist was to his First This book will document that these three misconceptions are falsified by primary sources from roughly 1835 to 1851 Miller was highly dependent on disconfirmed centuries old historicist speculations his interpretations were allegorical and arbitrary not literal his falsified proofs obviously not of angelic origin For example Miller initially predicted the Parousia and fall of the Ottoman Empire for 1839 White also endorsed Snow Joseph Turner and Crozier whom she said God had given true light Post Disappointment these men continued using Miller's allegorical typological historicist methods and Ellen Harmon was taught by these men About two centuries after The Midnight Cry and the end times signs of 1755 1780 and 1833 the SDA church's tenacious reliance on Millerite proofs makes its eschatology increasingly implausible
