The Multinational Enterprise and the Emergence of the Global Factory Peter J. Buckley, 2014-11-04 The Multinational Enterprise and the Emergence of the Global Factory brings together research papers authored by Peter J Buckley focusing on three of the most important empirical and theoretical issues in the global economy the rise of the global factory the growth of FDI from emerging economies recent developments in the theory of IB The Future of Foreign Direct Investment and the Multinational Enterprise Ravi Ramamurti, Niron Hashai, 2011-04-27 This Festschrift in honour of Professor Yair Aharoni a pioneer in the field of international business looks at several of these new trends in FDI what they will mean for firms and governments and the opportunities created by these developments to enrich or extend extant theory

*International Management* Manfred Fuchs, 2022-10-26 This textbook for students and practitioners offers answers to the most important questions and challenges of international management The main topics are presented and discussed on three levels a the macroeconomic and institutional environment of the global economy b the international firms embedded as players in this environment and c the actual management decisions The focus is placed both on the characteristics of the individual subject areas macro meso and microperspective and on the interdependent connections between these areas The main interest of this book lies in an application oriented analysis of the central strategic management decisions in internationalizing companies This textbook has been recommended and developed for university courses in Germany Austria and Switzerland *The Global Factory* Peter J. Buckley, 2018-02-23 This key new book synthesises Peter Buckley's work on the global factory the modern networked multinational enterprise The role of interfirm networks entrepreneurship and cooperation in the creation and management of global factories leads to a discussion of their governance internal knowledge transfer strategies and performance including their role in potentially combating societal failures Emerging country multinationals are examined as a special case of global factories with a focus on Indian and Chinese multinationals their involvement in tax havens and offshore financial centres the performance and processes of their acquisition strategies all seen as key aspects of globalisation *The Oxford Handbook of International Business Strategy* Kamel Mellahi, Klaus Meyer, Rajneesh Narula, Irina Surdu, Alain Verbeke, 2021-01-07 The growth of the multinational enterprise MNE has led to an increasing interest in international business strategy from scholars professionals and policy makers alike MNEs must contend with challenges in both their home and host international markets and increasingly uncertain conditions in the international business environment demand superior firm level capabilities for multinational firms to achieve and maintain competitive advantages in the long run This Handbook explores the progress made in international business strategy theory and practice in the last few decades Written by an international team of leading experts it captures the differences in motivations and decision making processes between smaller and larger firms private family and state owned firms and emerging or developed market multinationals It elaborates on the links between international strategy and the social

responsibilities of the firm in its various host market contexts including the deployment of effective and ethical human resource practices in international markets Most importantly it lays out how the classic principles of international competitive strategy are transformed in today's markets in great part due to digitalization and provides suggestions on how MNEs can develop international business strategies to respond to these transformations The implications of these discussions for strategy and practice are becoming ever more profound This Handbook will prove a valuable resource for both international business scholars and practitioners *International Business Strategy* Peter J Buckley, Pervez Ghauri, 2015-02-20 With stagnated demand in many home economies the need to internationalize and exploit foreign market opportunities has never been more paramount for businesses to succeed at a global level However this process raises a number of questions such as can firms use their knowledge of one market in the next Can firms pursue internationalization on several fronts at the same time How should firms handle cultural and institutional differences between markets This textbook provides students with the core research in international business and strategy including organization efficiency external relationships and the challenges found in an increasingly multicultural world Each part begins with a presentation of the issues and controversies faced in that particular area followed by a synthesis of the research which provides avenues for future research To facilitate and encourage further debate and learning each part also includes at least one original case study Compiled by two of the World's leading scholars of international business and supplemented with critical commentaries and a range of integrative case studies this comprehensive textbook provides advanced students of international business and strategy with a resource that will be invaluable in their studies and beyond **Human Capital and Innovation** Sumit Kundu, Surender Munjal, 2016-11-15 The second title in the Palgrave Studies in Global Human Capital Management series this book explores how human capital contributes to innovation within the context of an inter connected and globalized world Investigating globalization as a phenomenon reflected within increasing cross border flows of goods services know how and talent Human Capital and Innovation Examining the Role of Globalization illustrates various facets of innovation at individual team and organizational level It highlights the influence of new economic realities such as technological advances and the rise of emerging economies on human capital and innovation From World Factory to Global Investor Xuedong Ding, Chen Meng, 2017-11-22 Chinese outward direct investment ODI is growing rapidly in recent years As an important phenomenon in the global economy China's ODI deserves more thorough analysis This book looks at China's ODI activities from multi perspectives With the rebalancing of China's own structural growth and China's shift towards a net capital exporter her initiatives such as One Belt One Road OBOR have brought profound implications to the traditional super sovereign or multilateral financial and investment cooperation mechanism As her investment destinations and investment methods become more diversified and sophisticated this book offers unique and refreshing insight into China's ODI activities The book covers the whole range of history and policy development of China's ODI and analyses China's ODI trends and characteristics

in the recent years It reviews China s major policy changes after the Third Plenary Session of the 18th Central Committee of the Communist Party and how they may impact China s ODI strategy and activities The book addresses potential challenges and risks of rising ODI activities from practitioners perspective and discusses how recipient countries may react and respond to the surge of Chinese capital The book also offers policy implications and future research agenda in relation to the Chinese investments **The Routledge Companion to the Makers of Global Business** Teresa da Silva Lopes,Christina
