The Naughty Client English Edition:

The New Latin and English Dictionary. (A New Edition.). John ENTICK,1782 Quintus Claudius, Volume 1 (of 2)
(English Edition) Ernst Eckstein, It was in Rome itself in the sublime solemnity of the Colosseum among the ruins of the palaces of the Caesars and crumbling pillars of the temples of the gods that the first dreamy outlines rose before my fancy of the figures here offered to the reader's contemplation Each visit added strength to the mysterious impulse to conjure up from their tombs these shadows of a mighty past and afterwards at home where the throng of impressions sorted and grouped themselves at leisure my impulse ripened to fulfilment I will not pause here to dwell on the fact that the period of Imperial rule in Rome bears in its whole aspect a stronger resemblance to the XIXth century than perhaps any other epoch before the Reformation for without reference to this internal affinity we should be justified in using it for the purpose of Romance simply by the fact that hardly another period has ever been equally full of the stirring conflict of purely human interest and of dramatic contrasts in thought feeling and purpose I must be permitted to add a word as to the notes I purposely avoided disturbing the reader of the story by references in the text and indeed the narrative is perfectly intelligible without any explanation The notes in short are not intended as explanatory but merely to instruct the reader and complete the picture they also supply the sources and give the evidence on which I have drawn From this point of view they may have some interest for the general public unfamiliar with the authorities
