trenches were taken by storm together with those who manned them It was a veritable harvest of men The fourth line was taken at the point of the bayonet in eighteen minutes At eight in the morning we attacked the outskirts of the three villages Beaumont Hamel was the first to be taken with its garrison Before Beaucourt we were brought to a halt by machine gun fire Saint Pierre Divion was outflanked The artillery increased its range and cut short all counter attacks To be continue in this ebook [Rachmaninoff's Recollections](#) Oskar von Riesemann,2015-07-24 This book first published in 1934 contains the recollections of the varied and coloured life of a great pianist and composer who is one of the most striking figures of the musical world Rachmaninoff dictated his memoires to the author of this book and much of the story is therefore told in the first person The final chapter is Riesemann s own contribution It is an estimate of Rachmaninoff s qualities as composer it shows knowledge of all his more important works and it shows discrimination The whole book is an authoritative and interesting study of a popular artist
