Strange Fruit Meredith, 2021-06-02 She burst into uncontrollable sobs And he let her get it out wanting to reach out and embrace her hold her but daring to interrupt the flood of raw emotion now being released through so many tears She cried like a little helpless baby until he had no choice but to hold her And when he took her into his arms where he could feel her body close to his he was falling backwards through the memories of their romance His career was the perfect American tragedy layered by those darker images reflected in the shadows of the invisible black man He was that rare commodity and commercial powerhouse with artistic value and street credibility His rapid ascent to fame came actually from the dark side of the American dream which afforded him a chance to develop a reputation and image that made him one of Detroit's most infamous personalities He was living the hustler's life through the poetry of his art Outside the walls of the biggest walled prison in the world he stood in the broken sunlight and took council with himself a man consciously trying to decide what course to follow *Strange Fruit* is that broken memoir that imagines a journey through the mind and madness of a starving artist trying to reconcile sins of a generational curse Success would be the better revenge He was well aware of the contradictions in his lifestyle Society wouldn't let him forget Determination couldn't be disenfranchised Donavon Taylor was raised in the trashy back alleys of Detroit and the systematic racism of old at a time police were killing unarmed black people on video and getting away with state sponsored murder He was a diamond in the dirt He had no real choice but to fight against his own character flaws and survive both the sacred and the profane He was a native son of the city He was Detroit everyday He was an artist who hustled all his life through the poetry of being black in a day and time when being black meant you had to march and protest for Black Lives to Matter He was forced to be humble and stand on the front lines fighting injustice and inequality Trump republicans were losing the culture battle while unresolved grievances and bitterness

revealed itself through America's painful politics voter suppression police violence mass shootings and the rise of right wing militant hate groups QAnon supporters were living their American dream in the cult of an alternate universe quarantined in a bubble of lies and conspiracy theories Donny was forced to deal with the drama of being the black antagonist in a global pandemic while America stares into the abyss of insurrection old Jim Crow antics and ghosts of the Confederacy

Merry & Bright Amy Sparling, Jace and Bayleigh have been offered the deal of a lifetime to star in an episode of a Reality TV show and get paid big for it All they have to do is enjoy an all expenses paid vacation in a town dedicated to Christmas Only every

single thing keeps going wrong Is their love strong enough to weather the storm Or will it be a ho ho horrible disaster It s more engaging if you ve read the previous books in this series but Merry Bright can also be read as a standalone Christmas story Dive into this Summer Unplugged novella today **Steam Shovel and Dredge** ,1921 **The Ghost of Artemus Strange** Peter Maughan,2019-08-22 Welcome to Batch Magna a place where anything might happen And often does Sir Humphrey has offered to play Father Christmas at the local hospital but disaster strikes when he realises he won t be able to buy the sack of toys he d promised the children Rupert a gentleman of the road is found asleep in an old car in the Hall s coach house He is scrubbed up and given a room at the Hall where two guests are already staying a businessman and his rather young female companion When money goes missing from their bedroom Rupert is accused and Miss Wyndham the village s amateur sleuth decides to investigate the matter Meanwhile local author Phineas Cook has come up with the idea of a resident ghost at the Hall to attract paying guests All goes smoothly until the ghostly actors spend too long in the pub one evening and their performance descends into sword wielding chaos As always in Batch Magna events somehow manage to turn out all right in the end but in the most unexpected manner What readers are saying about The Batch Magna Chronicles series An enchanting mixture of The Wind in The Willows and The Darling Buds of May An England that doesn t exist but surely should Reading this book was like sitting down for a nice long chat with an old friend I loved reading the Welsh village descriptions it felt like coming home I eagerly await the next instalment of the Batch Magna crew I first got this book out of the local library and then brought a copy I wanted to read it again and again It s a treasure a smashing read funny and beautifully written These books are such fun darkly comic and full of great characters Batch Magna is a place I would love to find and the river sounds idyllic Hurrah for Batch Magna Humphrey and friends I loved this book It s lyrical and very amusing with all the charm of an old Ealing comedy More please Mr Maughan What an amazing writer I have never found any descriptive writing that has gripped me so much before A thoroughly enjoyable read Is there another Batch Magna book on the way please Such a wonderfully descriptive bucolic and warmly human story with echoes of the Darling Buds of May A wonderful funny well crafted escape from everyday life If you love writing that absorbs you into the landscape you will love this book Every sense was satisfied with the author s beautiful descriptions of the Marches Escape from the tarmac concrete and relentlessness of life with this stunning book Thank you Mr Maughan I absolutely loved this book and all the characters became so real to me I just couldn t put it down Escape from the madness of life for a short while into the glorious eccentricity of Batch Magna once again revel in its surroundings its people its comings and goings which often as bizarre as they are usually work out for the best If I had to guess at Peter Maughan s occupation my bet would be on a weaver and I ll double down on that bet Only a weaver a k a master story teller can weave together so magnificently everything the stories in this chronicle encompasses The jolly cast of characters who truly are in the best English sense characters provide humour and a bit of pathos This would be a great book to read sitting in an English garden on a summer s day **Merchants**
