**A Translation of the Old Testament Scriptures from the Original Hebrew** Helen Spurrell,1885 Slocum #406 Jake Logan,2012-11-27 When up against women scorned Slocum doesn t have a prayer Three of Slocum s friends and damn good people at that are needlessly killed in Arizona by the spineless murderer Tunk Mueller While chasing this devil through Nevada Slocum has the misfortune of stumbling upon even more heartless men whose only law is that of the good book It seems as though Old Man Tinker and his holy rolling sons talk of fire and brimstone has driven their women to flee for California Slocum isn t sure if these gun wielding vixens are an asset or a distraction but one thing is for sure if these holy rollers get in the way of him nabbing his man they will have the devil to pay The Englishman's Hebrew and Chaldee concordance of the Old Testament[based on the unpubl. work of W. De Burgh, ed. by G.V. Wigram.] George Vicesimus Wigram,1860 *The Bear and His Sons* James M. Taggart,2010-07-05 All the world over people tell stories to express their deepest feelings about such things as what makes a real man or woman what true love courage or any other virtue is what the proper relationships are between people Often groups of people widely separated by space or time will tell the same basic story but with differences in the details that reveal much about a particular group s worldview This book looks at differences in the telling of several common Hispanic folktales James Taggart contrasts how two men a Spaniard and an Aztec speaking Mexican tell such tales as The Bear s Son He explores how their stories present different ways of being a man in their respective cultures Taggart s analysis contributes to a revision of Freud s theory of gender which was heavily grounded in biological determinism Taggart focuses instead on how fathers reproduce different forms of masculinity in their sons In particular he shows how fathers who care for their infant sons teach them a relational masculinity based on a connected view of human relationships Thus The Bear and His Sons will be important reading not only in anthropology and folklore but also in the growing field of men s studies
