The Master Mummer Edward Phillips Oppenheim,1914 **The Master Mummer (Classic Reprint)** E. Phillips Oppenheim,2015-07-08 Excerpt from The Master Mummer Sheets of virgin manuscript paper littered my desk the smoke of much uselessly consumed tobacco hung about the room in a little cloud Many a time I had dipped my pen in the ink only to find myself a few minutes later scrawling ridiculous little figures upon the margin of my blotting pad It was not at all an auspicious start for one who sought immortality There came a growl presently from the other side of the room where Mabane attired in a disreputable smock with a short black pipe in the corner of his mouth was industriously defacing a small canvas Mabane was tall and fair and lean with a mass of refractory hair which was the despair of his barber a Scotchman with keen blue eyes and humorous mouth amply redeeming his face from the plainness which would otherwise have been its lot He also was in search of immortality Make a start for Heaven s sake Arnold he implored To look at you is an incitement to laziness The world s full of things to write about Make a choice and have done with it Write something even if you have to tear it up afterwards I turned round in my chair and regarded Mabane reproachfully About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Mummer Edward Phillips Oppenheim,2018-03-15 One in a thousand he repeated thoughtfully Yet think what that one may mean a walking drama a tragedy a comedy an epitome of life or death There is more to be read in the face of that one than in the three hundred pages of the novel over which we yawn ourselves to sleep Here is the train Now let us watch the people together that is if you really mean that you have no friends to look out for We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **The Master**

Mummer E. Phillips Oppenheim,2020-04-09 Sheets of virgin manuscript paper littered my desk the smoke of much uselessly consumed tobacco hung about the room in a little cloud Many a time I had dipped my pen in the ink only to find myself a few minutes later scrawling ridiculous little figures upon the margin of my blotting pad It was not at all an auspicious start for one who sought immortality There came a growl presently from the other side of the room where Mabane attired in a disreputable smock with a short black pipe in the corner of his mouth was industriously defacing a small canvas Mabane was tall and fair and lean with a mass of refractory hair which was the despair of his barber a Scotchman with keen blue eyes and

humorous mouth amply redeeming his face from the plainness which would otherwise have been its lot He also was in search of immortality Make a start for Heaven s sake Arnold he implored To look at you is an incitement to laziness The world s full of things to write about Make a choice and have done with it Write something even if you have to tear it up afterwards I turned round in my chair and regarded Mabane reproachfully Get on with your pot boiler and leave me alone Allan I said You do not understand my difficulties in the least It is simply a matter of selection My brain is full of ideas brimming over I want to be sure that I am choosing the best *The Athenaeum* ,1905 [The Bookseller](#) ,1913 **The Athenaeum** James Silk Buckingham,John Sterling,Frederick Denison Maurice,Henry Stebbing,Charles Wentworth Dilke,Thomas Kibble Hervey,William Hepworth Dixon,Norman Maccoll,Vernon Horace Rendall,John Middleton Murry,1905 *A Mummer's Tale* Anatole France,2019-12-16 A Mummer s Tale is a fascinating exploration of the human condition woven through the adventures of a troupe of performers in the decadent backdrop of 19th century Paris Anatole France masterfully employs a style rich in satire irony and vivid characterization to critique societal norms and the nature of art itself The narrative oscillates between whimsical charm and profound introspection illustrating the complexities of love ambition and the often harsh realities that accompany the pursuit of beauty and authenticity in an increasingly superficial world France s adept storytelling reflects the literary movements of his time particularly the Symbolist and Decadent movements marking a significant departure from the overtly moralistic literature of the preceding Romantic era Anatole France a prominent literary figure and Nobel laureate possessed a deep understanding of the intersection between art and life His background steeped in literature and philosophy has undeniably influenced his writing style which often melds erudition with a playful sense of whimsy France s own experiences as a journalist and a keen observer of Parisian society provide a rich reservoir of material for his narratives offering insights into human folly and the artistic spirit Highly recommended for lovers of literature that both entertains and provokes thought A Mummer s Tale captivates readers with its layered narrative and philosophical underpinnings France s insightful examination of the theatrical world and its impact on personal identity invites readers to reflect on their own lives and the transformative power of art This work stands as a testament to the enduring relevance of France s literary brilliance
